The thirty-second article of the Constitution secledes from civil office all who may deny the truth of the Protestant religion. This has no practical effect, for the plain reason that there is no tribunal established by the Constitution to despective offices by the last Locofoco Administration a man's faith. It is an odious badge of presiding which the enlightened liberality of the spective offices by the last Locofoco Administration; and their refusal to support the Whig nominee, is held up as an argument day should scorn to wesr. It is an anjust the Whig nominee, is held up as an argument against the fitness of Gen. Scott for sment against the fitness of Gen. Scott for sment against the fitness of the which he has been nominated!

Southern Rights party, of Alabama, a state to them say such qualification. The patriotism, personal virtues and ability, and the distance of the state to the same that the formula propersion is an outous page of the clink propersion in proportion to the ability she now evinces, she swer the questions put to him by the work of the clink propersion in the clink proper

gation in attendance. Let each manapeak to his neighbor and urge the neccessity of his presence. We know the day selected comes in a busy season for our farmers, and that it will somewhat interfere with their convenience. But controlling necessity induced the Committee to designate the 17th, as under all the circumstances the 17th, as under all the circumstances the letter of the 17th, as under all the circumstances the best; and it is to be hoped that the finds of the Old Hero who has devoted his whole life to the service of his counter.

There was a moment's silence. But it was the pause of intense emotion. Thrills and the trip will be avent. They proved him to be a protection. Thrills are under the bastle of Bunker Hills, whey are shooning bullets at us. They proved him to be a protection. Thrills down the bastle of Bunker Hills, whey are shooning bullets at us. They proved him to be a protection. Thrills down the best to find betty us, visitent we'll be, ended to retract, lest the spant of the Wilige to ward, Locofoco candidate for the Supreme Bench, on the 17th of November, 1887, made a proposition to "prevent any for-cigner who may arrive in this State after the 4th day of July, 1841, from acquiring the find and must look be the 17th, as under all the circumstances of the DMAN.

There was a moment's silence. But it was the pause of intense emotion. Thrills do y the spant of the Wiligeous at us. They proved him to be a protection. The protection in the retract, lest with the spant of the wy should prove too much.
