SHOCKING ACCIDENT .- A few days since. as Dr. McNair, of Tippch, Mississippi, was lifting his gun from a log while seated on his horse, the trigger accidently was pulled, driving the contents into his breast and setting his clothes on fire. The horse threw han, when he managed to get off some of his burning clothes, but finally expired, When found his own dogs were eating his heart and breast.

IMPORTANT .--- It is announced that the Life of Pierce, by Hawthorne, will contain the General's military journal as written on the field ! Now we shall know all about the exploits "in the blaze of every haule." How happens it, if Gen Pierce found time to write a journal on the field, UNANU that he never found time to write any military despatches?
