HOOPLAND'S CELEBRATED GERMAN BITTERS PREPARED BY DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE, 130 Arch street, Philadelphia. Their power over the above diseases is not exceeded—equalled by any other preparation in the United States, as the cure attains, in many cases after all other physicians have failed. These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lower glands, excelling the most searching purgatives in weakness and obstructions of the digestive organs, they are without safety, certain and pleasant. READ AND BE CONVINCED. From the "Boston B. C." The editor said, Dec. 27th. Dr. Hoopland's German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and are so highly recommended by the best medical authorities, that they are considered an effectual and permanent cure of Liver Complaint from the use of these Bitters. The patient constantly gains strength and vigor—a fact worthy of our consideration. They are pleasant to the taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use. "Scott's Weekly," one of the best Literary papers published said, Aug. 23— "Dr. Hoopland's German Bitters, manufactured by Dr. Jackson are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Few of the debilitated constitutions who find these Bitters advantageous to their health, as we know from experience the salutary effect they have had upon weak systems."
