Dear Sir: Having used a consideable quantity of your Mineral Paint, in painting brick and wooden houses, the past season, I have taken extra pains to try and test it in various ways, from its trial and composition I can warrant it to be durable both in quality and color it mixes beautifully with oil-paints very easyand for ship or boat painting, I think there has no considerable of it with water and glue composiion, for course, cheap painting, and it exceeds any thing I ever saw.
