DR. HOOFLAND'S CELEBRATED GERMAN BIT

TERS PREPARED BY DR. C. M. JACKSON. AT THE GERMAN MEDICINE STORE, 120 Arch street, Philadelphia.

Their power over the above diseases is not ex elled—if equaled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians have failed. These bitters are worthy the attention of invalids. Possessing great virtues in the rectifica-tion of diseases of the Liver and lesser glands, ex reising the most searching powers in and affections of the digestive organs, they are withal, safe, certain and pleasant.
READ AND BE CONVINCED.

The editor said, Dec. 22nd Dr. Hootland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspep sia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day.— These Bitters have been used by thousanus, and friend at our elbow says he has himself receivd an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that in the use of these Bitters, the patient constantly gains strength and vigor-a fact worthy of great consideration. They are pleasant intaste and smell, and can be used by persons

with the most delicate stomachs with safety, un-der any circumstances. We are speaking from experience, and to the afflicted we advise their "Scott's Weekly," one of the best Literary papers published said, Aug. 25—
"Dr. Hootland's German Bitters, manufactured by Dr. Jackson are now recommended by some of the most prominent members of the inculty as an article of much efficacy in cases of female weakness. As such is the case we would advise geous to their health, as we know from exper ience the salutary effect they have had upor weak systems."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the ber amily newspaper published in the U. States. The editor says of DR. HOOFLAND'S GERMAN BITTERS. It is seldom we recommend what are term ed Patent Medicines, to the confidence and pat recommend Dr. Hoofland's German Bitters, we

wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgot ten after they have done their guilty race of mis chief, but of a medicine long established univer sally prized, and which has met the hearty ap proval of the faculty itself." Evidence upon evidence has been received (like the forgoing) from all sections of the Umon, the last 3 years, and the strongest testimony in its favor, is, that there is more of it used in the ora tice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a cientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complainh and Dyspepsia, no one can doubt after using it as

and liver; it is preserable to calomel in all bil-ious diseases—the effect is immediate. It can be administered to females or infants with safet and reliable benefit at any time. BEWARE OF COUNTERFEITS. This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth spurious ar ticles at the risk of the lives of those whose in

directed. It acts specifically upon the at

nocently deceived. Look well to the marks of the gennine. They have the written signature of C. M. Jackson upon the wrapper, and his name blown in the bottle, without which they are spurious. For sale wholesale and retail at the GERMAN MEDICINE STORE No. 120 Arch street one door below Sixth

Superiar article of Mineral Paint warranted equal to any Paint extra belore offered to the public for painting on Wood, Brick, Stone, Iron, I'm, or any substance which is exposed to Weather,

Water, or the Atmosphere. It is Proof against Fire, Water. and Weather, AND UNCHANGRABLE IN ITS COLOR. It mixes readily with Oil or Composition

CERTIFICATES. We the undersigned, having seen and used BUSWELL'S Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for use; to any Mineral Faint ever before offered for use; it is not ampleasant to use, like the MUNDY Chio Paint which is harped about the country so much, but mixes up with oil like pure white lend: It is sold at half the price of common paint, and we believe where the color is desirable, it is worth twice as much, and as a Fire, Weather, or Waterproof Paint. We think it cannot be surgered by proof Paint, we think it cannot be surpassed by

Mr. Buswell. Dear Sir: Having used a considrable quantity of your Mineral Point, in painting
brick and weeden houses, the past season, I have
taken extra pains to try and test it in various
ways, from its trial and composition I can warrant it to be durable both in quality and color,
it mires heantifally with ail—naints varyease. it mixes beautifully with oil-paints very easyit mixes beautium; with oit—pennic very easy—and for ship or boat painting, I think there has no better paint ever been introduced. I have pendiconsiderable of it with water and glue composition, for coarse, cheap pathting, and it exceeds any thing I eversew.

Truly Yours, THOS. B. JOSIN. Numerous other certificates in hands of Agents which will be shown to deslers. This Paint is for sale by S. H.
