#### CERTIFICATES.

We the undersigned, having seen and used BUSWELLAS Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for use it is not unpleasant to use, like the strung Ohio Paint which is harped about the country so much, but mixes up without like pure white lead. It is sold at half the price of common paint, and we believe where the color is desirable, it s worth twice as much, and as a Fire, Weather, or Water-proof Paint, we think it cannot be surpassed by anything in the Paint line now in use.
