Marsiferway Money Rowans A story | John Wentworth.-No one but the! is told in a trick piason in a management of town of Massachuseits, by some extreme petrate the Pollowing. It is in his best to the object of the trick was to get some it in the hat; the object of the form and it was high him the hat; the newest intentially silude to doc.

The object of the trick was to get some it in the hat; the numerous solicitations will open this day (April 1st,) one it is not to the own agent and it was high him the hat; the numerous solicitations will open this day (April 1st,) one of the largest and most desirable stick of the largest and most desirable stick of the largest and the numerous solicitations will open this day (April 1st,) one of the largest and most desirable stick of the largest and most desirable stick of the numerous solicitations will open this day (April 1st,) one of the largest and most desirable stick of the largest and most desirable stick of the numerous solicitations will open this day (April 1st,) one of the largest and most desirable stick of the numerous solicitations will open this day (April 1st,) one of the largest and most desirable stick of the numerous solicitations will open this day (April 1st,) one of the largest and most desirable stick of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this plant.

The object of the intention of the numerous solicitations will open this day (April 1st,) one of the numerous solicitations will open this day (April 1st,) one of the numerous solici town of Massachusetts, by some extremety thirty individuals, for securing a drink. The object of the trick was to get some inquer out of the town agent and it was highly successful. They procured an old horse the basic procured an old horse the basic part of the fact of

the company followed time, the agent at last being nearly leftalone. After that gentering had been led through various adventures, the conciousness dawned upon him that he had been from the last being nearly leftalone. The horse recovered, and height which there is a chence. Consideration detery our from trying to save your life and health while there is a chence. The horse recovered, and the doctors all had the headache the next day.—Spring field Republican,

Appearamces are Deceptive.

Speaking of Governors, we have an incident connected with the magistracy of Ex-Governor Briggs. The incident we heard the Governor relate in his humerous manner: for no one can well a better story. The Governor went into the Athenaeum, one day, and called upon the clerk, who

one day, and called upon the clerk, who life.

was ignorant of the character of the visitor, PULMONARY CONSUMPTION and inquired if he could have the use of the unit within a few years, been generally the library that morning. He was informed that unless he was a stockholder, or men of the highest standing, among whom we deturn the library that unless he was a stockholder, or the granted. The Governor blundly signed the assent to the laws of the library, and turned and retired. On the stairs he was met by the librarian, Mr. Folsom:

With that gentlemantly courtesy that mark gill the acts of the librarian, the exchanged the usual salutations of the librarian, he exchanged the usual salutations of the day, and the which it is recommended.

WINTARS BALSAM OF WILD CHERY.

On the stairs he organized. The remedy which we now offer, organized and required to the laws of the librarian, he exchanged the usual salutations of the day, and the which it is recommended.
