been discovered or implicated. THE SALE OF MOUNT VERNON .- The National Intelligencer confirms the report that Mr. John A. Washington, the proprietor of Mount Vernon, bas disposed that venerated mansion, with two hundred acres of the landed estate, to a company comprising Northern and Southern men for the sum of two hundred thousand dol lars. The terms of sale, however, are that congress shall first have the privilege of buying the property, (although the company offered a largely. increased price to have the sale made absolute.) and on no condition are the remains of Genera Washington to be removed from their present resting place.
