Elpton & Brother, FASHIONABLE BARBERS AND HAIR DRESSERS. CAN at all times be found prepared to attend to the calls of the people, at the Temple, in the Diamond, adjoining the County Building. From Long experience they flatter themselves that they can go through all the ramifications of the Tonsorial Department, with such an infinite degree of skill, as will meet with the entire satisfaction of all who may submit their chins to either of their razors. They hope, therefore, that by their attention to business, and a desire to please, they will merit as well as receive a liberal share of public patronage. The sick will be attended to at their private dwellings.

IMPORTANT TO CAPITALISTS. "MINERAL MILLS" AT PUBLIC SALE.

8 per cent on the Capital invested, guaranteed to the purchaser. **TERT COBEAN,** will sell at Public Sale, on Thursday, the first day of September next, on the premises, the valuable property, long known as "COBEAN'S MILLS," situate on Marsh Creek, Cumberland township, Adams county Pa., 3 miles west of Gettysburg, near the road leading from Gettysburg to Hagerstown, Md., containing 71 ACRES, more or less, of valuable land.

The improvements consist of 2 TWO STORY LOG DWELLING HOUSES,

one of which is weatherboarded, and the other has a stone back building attached, with stabling to each, Carriage House, Corn Crib, Dry House, and other out buildings. There is a well of good water at the door of one of the Houses, with a pump in it, and an excellent garden to each. There is a thriving

YOUNG ORCHARD of about 100 apple trees, nearly all bearing, beside a large number of Peach, Pear, Plum and Apricot trees.

The land is principally bottom of good quality, and in a state of good cultivation, with a full proportion of timber and out fencing, a large portion of which is post and rail, and put up during the last three or four years.

There is also a large **BLACKSMITH SHOP,** with shoeing and coal sheds attached. There is also on this property a valuable

MINERAL SPRING, the water of which has been analyzed and found to contain rare and valuable qualities.

THE MILL is new, having been put in operation on the 1st day of January 1851. It is 3 stories high; the basement story stone, of superior material and workmanship; the other two stories frame, weatherboarded, and painted in the best manner, with spouting, Lightning conductor &c. There are two overhead water wheels, 4 run of Stones, 2 French Burs and 2 Country Stones, (warranted good,) either pair of which will drive all the machinery. There is a Corn and Plaster Breaker, Smut machine, Hopper-bur, Grain and Flour Elevators; also Grain Conveyors to fill the Granaries on two floors; Friction Hoisting Gear at both ends of the Mill, where loading and unloading can be done with convenience at the same time, having an open road around the building. The Gearing is spur and bevel; principally cast iron, with wooden gears. The building and machinery are constructed with the very best material that could be purchased, and for durability, convenience, and neatness are unsurpassed by any in the county. The Mill is insured in a safe insurance Company.

THE SAW-MILL

is well constructed, in good repair and does a good business annually. The old Mill House, which is still standing, might be used to advantage for machinery of any kind.

This property has many peculiar advantages connected with it. It is located in a healthy, well cultivated and productive neighborhood, convenient to Churches of all Religious Denominations, Schools and Factories. The roads leading to it are good, affording good facilities for the transportation of grain. The stream by which the Mill is propelled is large, and the water power at all times sufficient to do an extensive and lucrative business. The Railroad about to be constructed from Gettysburg to Hanover will be of incalculable advantage as it will afford facilities for transporting Flour to the Philadelphia and Baltimore markets with comparatively trifling expense.

As a business place, this property is not surpassed by any in the county, and would be a desirable location for a COUNTRY STORE.

A tract of Wood-Land, adjoining the above property, consisting of about 70 ACRES, is now in the market, and can be bought on accommodating terms; the land is good, and covered with Timber of superior quality, consisting of White Oak, Walnut, Ash, &c., and situated only one fourth of a mile from the Saw Mill.

As property of this description is seldom in the market, Capitalists would do well to call and see it, AS IT WILL POSITIVELY BE SOLD. The terms will be made accommodating, and an indisputable title will be given to the purchaser.—Possession will be given on the 1st of April 1854; or if desired, on the 1st of October next.

Any person wishing to view the property will call upon **ROBERT COBEAN,** residing thereon, and any desired information respecting the same may be obtained by applying personally or by letter to him or either of the Assignees.

Sale will commence at 1 o'clock on said day, when attendance will be given and terms made known by

SAMUEL COBEAN, JAMES CUNNINGHAM,
June 17, 1852—ts. Assignees.
