Music, Music Books, &c.

Revision and other tisements, by the manufacture, I heg have to make the following statement with reference to make the followin Residents of the country will be supplied by mail or otherwise with any music they may wish, at as low rates as if purchased in person. Having one of the largest stocks in the United States, I feel quarkery said bushus, and as tending to increase, confident of satisfying all who may favor instead of tessening human discuss and suffering. Such, I fear, is the character of a large portion of the natest nanacess of this medicine-making age.

pray for a sale deliversuce.

The First Test.— I had myself suffered occasionally with sudden attacks of Sick Heedsche and Bilious Diarrhes, and I had sought a great variety of curative agents to but little purpose; and suf-fering from this disease (diarrhea) at this time, I determined to test the new Syrup first upon my-self. The results were beyond my expectation. It was a powerful alterative, and the morbid scit was a powerful attention, and the moreon ac-tion of the system was changed, and the fanctions of secretion were restored to a healthy state. It gave tone and elasticity to my system, and cor-rected the derangement of the digestive organs, and gave me that inestimable bessing—manave This test was not determined in a week, or a month; but I took four or five bottlen in perhaps as many months. Sinds that time I have suffered but slightly from these derangements. MY SICK HEADACHE IN ENTIRELY CURED. Other Tests .- Finding this medicine so neefs friends. About this time, I was earnestly solicited to give advice in reference to a child, some eight years of age. The thild was severely afflicted with a Scrofula humor, of a very severe type, the usual excellence. In ordinary diarnhose, incipient cholera, in short, in all cases
of prostration of the digestive functions, it
is of inestimable value. During the prevashe would live. The humor resembled black
lence of epidemic cholera and summeother remedies, I gave the child this Syrup for a-hout six weeks, when she had sufficient strength

> diseases known as Serofuls, &c., that in Despepsia, it acted with wonderful efficacy." M ion of its value for the above-named disea main unchanged, and the same as when I wrote Mr. Myere in Oct. 1850. I do not recommend it for all the ills of our suffering humanity; but I unhesitatingly say, that as a remedy in Serofolous affectious, I believe it superior to any known

curative agent.
It has been sufficiently tested by domestic prac-

to go out to school occasionally. The swelling of her limbs ceased, and she was restored to health. The family feel that they owe her life, ine essence, which is prepared only by F. with God's blessing, to my remedies.

BROWN. at his Drug and Chemical This test satisfied me that the Rock Rose This test ratisfied me that the Rock Rose possessed specific powers for Scrofulous humors. I then tested it in cases of Cutaneous Eruptions, in Measles, Chicken Pox, Canker, Sore Month, Erysipelas, Saft Rheum, Piles, &c. In all these cases with perfect success. After testing this Syrup for more than a year, I wrote Mr. Myers (Oct. 7th, 1450) enthusiastically, not expecting my letter would be published, that his Syrup was a Pankorite, all healing, and I gave him the result of its operations in several instances. I stated in its operations in several instances. I stated in that letter that "it was invaluable as a remedy in Cutaneous Eruptions, Erysipelas, Salt Rheum, and other disorders, included in the varied family of
