To the American Public-As my name has been used in connection with recommendations of Mr. Myers' Rock Rose Syrup, in various adver-tioements, by the manufacturer, I begins to make the following attement with reference to my argumintance with the remedy and texts to which I have subjected it, and the remous for having introduced it to the notice of private friends in the community in which I reside, long before the modicine was advertised. I make this state-ment four back and the remet with the state-

The results were beyond my expectation. It was a powerful alterative, and the morbid ac-tion of the system was changed, and the functions of secretion, ware restored to a healthy state. It

rected the derangement of the digretive organs, and gave me that inestimable bassing--uratru. This test was not determined in a week, or a month; bet I took four or five bettles in perhaps as many months. Binds that time I have suffered but slightly from these derangements. MY SICK HEADACHE IS ENTIRELY CURED.

SICK HEADACHE IN ENTIRELY CURED. Other Tests.—Finding this medicine so perfet to myself. I at once gave it to several invalid friends.
