The great secret popularity of this Ointment lies in the fact that it accomplishes all it is recom mended to do; and that I do not recommend it to cure any thing but what from the na-ture of the ingredience it is an absolute specific for, while other preparations of the kind are recommended to cure every disease that human Morbus, Toothache, Bruises, Sprains, flesh is heir to, from Consumption down to the bite of a flew, when, in fact, all the medical properties they contain are in the handbills, and the themsands of fictitious certificates published in

their praise.

I invite those troubled with the above com-

sale at this office.
