STATEMENT OF REV. E. R. WARREN. Pastor of the 2d Baptist Church, New London Ct.) relative to Myers Extract of Rock Rose. To the American Public .- As my name has been used in connexion with recommendations of Mr. Myers' Rock Rose Syrup, in various advertisements, by the manufacturer, I beg leave to make the following statement with reference to my acquaintance with the semedy and tests of my acquaintance with the remedy and tests of which I have subjected it, and the reasons for having introduced it to the notice of private friends in the community in which I reside, long before the medicine was advertised. I make this state-ment freely, because I have, as a principle, withheld my name from all patent medicines, and sedu-lously abstained from recommending them to the public, believing them frequently the spawn of quackery and humbug, and as tending to increase, instead of lessening human disease and suffering. Such, I fear, is the character of a large portion of the patent panacens of this medicine-making age. Their name is legion," and from their influence,

determined to test the new Syrup first upon my-self. The results were beyond my expectation. It was a powerful alterative, and the morbid senon of the system was changed, and the functions of secretion were restored to a healthy state.
