STATEMENT OF REV. E. R. WARREN. Pastor of the 2d Baptist Church, New London Ct.) relative to Myers Extract of Rock Rose. To the American Public.—As my name has been used in connexion with recommendations of Mr. Myora' Rock Rose Syrup, in various silvertisements, by the manufacturer, I beg ichye to Wines and Brandies, of different kinds, N. I make this statement freely, because I have, as a principle, withheld my name from all patent medicines, and sedu-lously abstained from recommending them to the public, believing themedrequently the spawn of quackery and humbug, and as tending to increase, instead of lessening human disease and suffering. Such, I fear, is the character of a large portion of the patent panacens of this medicine-making age. "Their name is legion," and from their influence,

Since that time I have suffered but slightly from these derangements. MY SICK HEADACHE IS ENTIRELY CURED Other Tees - Finding this medicine so useful to myself, I at once gave it to several invalid friends. About this time, I was earnestly solicited to give advice in reference to a child, some eight years of age. The child was severely afflicted with a Scrofula humor, of a very severe type, the a omor showing uself on all parts of the surface, and then suddenly disappearing. The child was very sick, and it was thought doubtful whether she would live. The humor resembled black specks of mornfied flesh. In addition to some ther remedies, I give the child this Svrup for a bout six weeks, when she had sufficient strength to go out to school accasionally. The swelling of her limbs ceased, and she was restored to health. The family feel that they owe her life,

with God's blessing, to my remedies.

This test satisfied me that the Rock Rose A RE willing to certify that the HATH- possessed specific powers for Scrofulous humors.
