**CAUTION! CAUTION!**  
THOMAS ARMITAGE'S  
PATENT ELECTRO-MAGNET LIGHT-  
NING RODS.  
BEWARE OF IMITATORS AND SWINDLERS.  
In order to prevent a repetition of the  
FRAUDS so extensively carried on  
during the last two years, by a set of  
scoundrels who travelled over the country,  
and represented themselves as my agents,  
and in many instances exhibited forged  
certificates of agency, I now give notice  
that all my agents carry with them  
printed forms, authorizing them to act as  
my agents, legally executed and ac-  
knowledged before Alderman HENRY  
SIMPSON, of Philadelphia; they have  
also my name and place of business on  
their wagons. I believe them all to be  
strictly honest, and fully acquainted with  
the business of putting up Lightning Rods,  
which they will do at as low a price as  
can be obtained at the factory. As  
many schemes have been resorted to, to  
defraud myself and the public, purchasers  
should be on their guard; thousands have  
been grossly deceived by purchasing use-  
less articles in the shape of Lightning  
Rods, having neither Lead, copper, zinc  
and iron points, either of all which are  
good for nothing. My ELECTRO-  
MAGNET LIGHTNING RODS have  
been examined by many of the most Sci-  
entific men in the world; who have pro-  
nounced them to be the only rods, that  
they have ever seen, which are calculated  
to save lives and property from destruc-  
tion by Lightning;—among these are  
Professors Henry M. Murrie, James M.  
Clinton, Walter R. Johnston, of the U. S.  
Patent office, E. J. Carr, Dr. T. E.  
Waller and many others who recommend  
them in the highest terms of approba-  
tion.

All orders WHOLESALE AND RE-  
TAIL will be promptly attended to.  
Spire Rods and Serolls made to order,  
Cardinal Points, and all kinds of  
weather Vans; for sale cheap.  
My Agent, SAMUEL C. WILT, will  
locate himself during the summer of 1854,  
at No. 21 North Queen street, Lancaster,  
Pa.—and AUGUSTUS CANN, at Penn-  
grove, N. J. Property owners in those  
sections of the country will do well to  
call on them.

gerous nostrums; also for the purpose of  
supplying the public with reliable medi-  
cines, in cases wherein the patient cannot  
obtain or will not employ the best medical  
advisers; having purchased that invalua-  
ble remedy, Rowland's Tonic Mixture, on  
account of its just celebrity and known  
efficacy, in the treatment of Fever and  
Ague, and its kindred affections,—has no  
hesitation in recommending it in the high-  
est terms to the patronage of the af-  
flicted.

CELEBRATED GARGLING OIL  
AS THE MOST REMARKABLE External Application ever  
discovered.

"They can't Keep House without it."  
Experience of more than twenty years has established  
the fact that Merchant's Gargling Oil, as a

relieve the most distressing symptoms of  
Scurvy, Sweeney, Ringworm, Windfalls, Pall  
Evil, Callous, Cracked Heels, Galls of all  
kinds, Fresh Wounds, Sprains, Bruises, Fire

The unparalleled success of this Oil, in the cure of dis-  
eases in Horses and Cattle, and in human flesh, is  
fully becoming more and more known, and it  
can hardly be credited, except by those who have been  
the subject of some of the above complaints.  
It is the application of this Oil.  
For the cure of the same, the proprietor, GEORGE  
W. MERCHANT, Lockport, N. Y., is shown in the  
side of the bottle, and is the only one to be  
relied on. All orders addressed to the proprietor will be promptly  
responded to.  
Be cautious of the name of the Agent, and see what words are  
accompanied by the use of this medicine.  
Sellers generally receive the name of the Agent in the United  
States and Canada. Also by—
