The great secret of the popularity of this ointment lies in the fact that it accomplishes all it is recom mended to do, and that I do not recommend it to cure any thing but what from the nature of the ingredients, it is an absolute specific for, while other preparations of the kind are recommended to cure every disease that human flesh is helt to. to cure every disease that human uses is here to, from Consumption down to the bite of a fleatwhen, in fact, all the medical properties they contain are in the handbills, and the thousands of fictitious certificates published in their praise. I invite those troubled with the above com
