Halifan, we have a full week's later intelligence, from Europe. The great fact of interest which the news puts us in possestion of is the final departure of the expedition against Sevastopol. Between six and reven hundred vessels of war and transports, manned by 25,000 sailors, and coneying 75,000 soldiers and three thousand pieces of cannon, left Varna on the 4th

before Sevastopol on the 10th inst., when the landing of the troops was to immediate. DANIEL M. SMYSER, of Montgoi y follow. This expedition force is the mort imposing that has ever been sent out by any power, and its operations may be expected to be on a corresponding scale DAVID F. ROBISON, of Franklin of groatness. It is not probable that we shall have any definite news in regard to the movements of the expedition for a fifthight to come. 'Prince' Meuschikoff JAMES L. NIMLY. ommands at Sevastopol, and Russia is un doubt prepared to resist the attack of the DANIEL MINNIGH.
