About an hour before daylight on Frithe safe arrival of the gallant Capt. Luce,
of the ill-faired steamer Arctic, with severnear us. We sall exerted ourselves to the
utmost of our abilities in hailing, but the from the contents of which we supposed
to some female sures. As All the reasonments in the Turkish I thrill of joy to every heart throughout the last, wherever the glad news was communicated by the telegraphic wires:

Obsauc, Oct. 14th.—Captain Luce article here this morning on board the founding of the foun

Cambrin. Capt. Rossell.

After the collision, and when Captain the Arctic to be consequently and the course again, and we were doomed to bitter disappointment—yet I feel hopes that because again, and we were doomed to bitter disappointment—yet I feel hopes that because again, and we were doomed to bitter disappointment—yet I feel hopes that because again, and we were doomed to bitter disappointment—yet I feel hopes that because again, and we were doomed to bitter disappointment—yet I feel hopes that because had left with the exception of our fellow sufferers may have been seen and rescued by them.

Shortly after a ship was discovered to the sea water. His sufferings were because the dank some of the sea water. His sufferings were because the fife boat was the out one left at the covered a man on a reft near them, and time she approached they fortunately discovered to the sea water. His sufferings were because the fife boat into the was necessary to get the life boat into the was a Fronchman, who was a passenger on time we pulled him back on the wreck.—

The Lie of the sea water and the sea water intensely. He happened to have some to have some to have some on the satisfactuol his government at the success of the filled armies.

The Austin Ambassador at Paris had called on Dhayn De L'Huve to express the satisfactuol his government at the success of the filled armies.

The Austin Ambassador at Paris had called on Dhayn De L'Huve to express the satisfactuol his government at the success of the filled armies.

The St. Peirsburg Journal publishes a decree forhiding the export of corn.

There was great rejoicing throughout for the sea water, the sufferings wore become and rescued the success of the filled armies.

There was read rejoicing throughout for the sea water rejoicing throughout for the sea water. The suffering wore become of the sea water. The fill of the sea water rejoicing throughout for the sea water. The fill of the sea water rejoicing throughout for the sea water. The fill of the sea water rejoicing th ter, but the cars were left in the Arctic to board the steamer with which we came At one time he cut open a vein in his arm in collision. He informed the captain and sucked his blood. The last time he that others were on pieces of the wreck, jumped over was about 15 minutes bear and he proceeded to croise around in fore we discovered the Cambria.

enty thousand majority. In Indiana, the

wrought against the power of the Govern-

ment, and in contempt of its public rebuke. It has overthrown the banded officials and their servile press. It has over-

awed the bullies, and spread the calm of in-

telligent determination around the ballot

box. Neither the partizan nor the philo sophic observer of human action can fail to find in this extraordinary change in the direction of popular sentiment a subject worthy of careful examination. It is in

the midst of a great conflict amongst the

political managers that these extraordina-

BALTIMORE MARKET. BALTIMONE, Oct. 19, 1854.

RITELY A PART MO 9 U O

Our triumph in the State is com-For once we have witnessed the sublime mixed 70 a 71 cts per bushel. A lot of new mined to be ahead of all competitors.

For once we have witnessed the sublime spectacle of the Freemen of Pennsylvania rising in the majesty and power of their strength to vindicate their rights, and to rebuke their unprincipled and corrupt rulers at Washington. President Pierce has been taught a lesson by them which he will not soon forget. He has heard their voice of condemnation, and it remains to be seen whether he will heed it, or add insult to injury by perpetrating still further outrages like the Nebraska swindle.

As we have said before, our trimmph is As we have said before, our triumph is complete. We have not only rebuked the spoilers at Washington, but have driven at Washington, but have driven soism out of power in the State, and FLOUR, per bbl., from wagons, \$7 00 when the base base in the State, and when the base base in the base base in the state. that, too, by an unprecedented and overwhelming vote. No man over before step;
ped into the Gubernatorial chair under
more favorable circumstances for a sucmore favorable and popular administration of the cessful and popular administration of the CLOVER SEED, affairs of State, than will James Pollock in FLAX-SEED. January next. Though the regular nominee of the Whig party and therefore con.

mitted to its principles and measures, his election cannot and will not be claimed as a distinct and exclusive Whig triumph. It can be regarded in no other light than a victory over Locofocoism by the conservative clements in the State. Our American OATS, triends have a just claim to a part of the TMOTHY SEED. honor of the victory. They contributed CLOVER SEED, their full share to achieve it. Nor were PLAX SEED. they alone to aid the Whigs. All opposed they alone to aid the Whigs. All opposed to the Nebraska iniquity cordially and zeal-ously united with us, and contributed large-ly to produce the glorious result. Compling into power, under such circumstances, Gov. Pollock has a plain duty to perform, Gov. Pollock has a plain duty to perform, and splendid for the person having it in possession will and which need by the person having it in possession will and which need by the person having it in possession will and which need by the person having it in possession will and which need by the person having it in possession will and court of Oyer and Terminer, at Get-public, that they bave opened a NEW
