Every American will Read it.

The most intensely exciting Book ever written!! Destined to be immensely Popular.

THE ARCH-BISHOP, or, Romanism in the United States, One Volume, 12 mo., of about 400 pages, embellished with numerous beautiful Engravings.—Price $1.00.

That this will be a volume of more than ordinary interest, is attested, by the fact that though it has only been announced a few few weeks, the orders already amount to upwards of 4000 copies. It is a truthful, unadorned narrative of the plans, doings, and designs of the Catholic party in the United States. The volume presents facts which will startle the whole American people, for, while we have been resting in fancied security, a formidable system has been at work, and is working now, to undermine our liberties. We do not ask any one to believe anything but what we prove, and our proof cannot be gainsayed. We leave the old world and former times to themselves, and present scenes, and deeds of crime enacted within the last fifteen years, and in our own land, YEA, IN AMERICA! which will rouse the whole American people to their danger and duty. These things are so; the conviction is forced upon us, and we present them to the American and Protestant world, without fear or exaggeration.

☞Orders will be filled in the order in which they are received.

☞Agents wanted in every county in the United States.

☞**20,000** boxes sold in this State the past year, and gave universal satisfaction.

The great secret of the popularity of this ointment lies in the fact that it accomplishes all it is recommended to do, and that I do not recommend it to core any thing but what from the nature of the ingredients, it is an absolute specific for, while other preparations of the kind are recommended to cure every disease that human flesh is heir to, from Consumption down to the bite of a flea, when, in fact, all the medical properties they contain are in the handbills, and the thousands of fictitious certificates published in their praise.

I invite those troubled with the above complaints, (particularly Salt Rheum,) to take a box and try it,—if you are not fully satisfied, return it and take back your money.
