burg Union, which is the Pennsylvania State organ of the Democratic party, gives vent to its feelings on the Kansas election in the following terms:

"From the account which have reached the feelings on the fine Arts, by a trip of the Late section for members of the fitteritorial Assembly, we learn two important lastes: 1st. that the pro-slavery party have successed in every district by large majorities; 2d, that the Atchison party as uncertainty as to whether he was killed as on which we as first, considered Nissouri, which we, at first, considered Nissouri, which we at first, considered Nissouri, which we at first, considered Nissouri, which we, at first, considered Nissouri, which we at first, considered Nissouri Niss Missouri, which we, at first, considered horses, and rode through the English too monetrous for belief, was effectually and French encampments, dined with carried into operation, thus giving the con- her brother on his very slendur rations, trol of the election to non-residents, thou- made her adieu with the exciting uncersands of whom have since returned to their tainty as to its being the last, and returned homes in Missouri. When we character- to Smyrna, to embark for home and gay nomes in datasour. A find as currected parts again. Think what may be done, the mildest terms we can think of to con- in these days of steam, without being missvey our meaning. We supported the Ne- ed out of a gay circle in the Faubourg St. braska-Kansas bill on principle, and we Germain: still believe the principle to be correct; CHINA.-Late advices from Hongkong,

but, in the names of justices and freedom we solemnly protest against the conduct of the Missouri ruffians, and call upon the proper suthorities of Kansas to repudiate the election as illegal and fraudulant. If the actual residents of Kansas, with all the blighting influences of slavery before their eyes, desire to plant that institution in their fair territory, we shall substitute the voice of the majority, fairly expressed, should and must govern to this country; but God forbid that either.

China.—Late advices from Hongkong, will be present to organize the company.

They were defeated in attempting to force the passage of the river at Canton. The matter to Whampoa, their head quarters. The river Canton is under the did quarters. The river Canton is under the blighting influences of slavery before at famine prices. Piracy is rite along the coasts between Amay and Foochow, and fears are entertained for the safety of force the passage of the river at Canton. The matter than the rebels are iosing ground.—

They were defeated in attempting to force the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the decident of the passage of the river at Canton. The matter the company.
