L TEST BETWEEN CURISTIANITY AND POLITICAL ROMANISM! By Miss Annis Ella Carrol. of Maryland. One Vol. 12mo, Cloth gilt Price \$1,25; full gilt sides and edges \$2. Containing 336 papers, and ten new potraits on steel, of the following distinguished mem-

bers of the American Party : Hon, Millard Fillmore of New York. "At.drew J. Donelson, of Tennesse "Alex. H. H. Stewart, of Virgina," Jacob Brooks, of Pennsylvania, Ernstua Brooks, of New York, E. R. Baylett, of Kentucky

dwin O. Perrin, of Tennessee. Kenneth Raynor, of North Carolina.

D. Prentice, Esq., Ed. Louisville Jour. Miss Anna Ella Carrol, the authoress. Plan of the Great American Battle....This as the cheapest ever offered in this place book is designed to arouse the American Peo-ple to an intelligent insight into the dangers which environ them, from the invasion of a Foreign Hierarchy and a trained Foreign Army, that have assumed to hold the balance of power in our Civil Government until the true American is trampled down, and his rights are invaded every day; and to show that this power has as its coadjutor the National Executive of the country, which has moved with a single eye to the glory of the Foreign Despet, to whom it owes its elevation, by an American ballotbox; It appeals to the American women to move with the same zeal to arrest our destruction, to drive back our invaders, as they manifesied in 1776, when a cause no dearer than this brought out their patriot mothers! It shows the dangers and insidious wiles-oc-cult and open-of our fierce adversaries, practiced upon the youth of our country committed _ to their schools 1 It shows that the principles the Amorican's Party upholds must endure while the Union stands 1 It attirms what this party means to perform ; forbids foreign angression ; makes the distinction between Protestant hat Battle, in which, it is sincerely hoped, [

the confident assurance that it will be cordi-be confident assurance that it will be cordi-ally welcomed by every friend of the American any customer Tailor. My stock consists,
