PHILADELPHIA, April 12, 1856. MESSES. EVANS & WATSON: -- Gents-It affords us the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some months since, we saved a large portion of our jewelry, books, papers, &c., exposed to the calamitous fire in Ban-stead Place, on the morning of the 11th

When we reflect that these Safes were loca ted in the fourth story of the building we occu-pied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plates to men we cannot but regard the preservation of the valuable contents as most convincing proof o the great security afforded by your Sales.
We shall take much pleasure in recommending them to men of business as a sure re-

GEO. W. SIMONS & BRO. PHILADELPHIA, April 12, 1856. MESSES. EVANS & WATSON :- 1 have to offer you my testimony in favor of the great security afforded to my entire stock of jewelry, books, papers, &c., during the recent disastrons contagration in Ranstead Prace, from the fact that the same were contained in two of the Sal

amander Sales manufactured by you.

Having fallen from the fifth story of the Artisan building, where they were previously placed, and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the ing and interior examination, a matter of profound astonishment.

To the public we would simply say, that 14 years that Herring's Safe has

been before them, more than two hundred have passed through accidental fires withou the occurrence of a single loss. We would, therefore, caution purchasers

against the misrepresentation of interested par-ties. The Herring's Patent is the only Fire-proof Safe made in this city which is protected y a Patent Right, and we will guarantee it to resist more than double the amount of heat of
