RESOLUTION

PROPOSING AMENDMENTS TO THE CONSTITUTION OF THE COMMONWEALTH.

Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the following amendments are proposed to the Constitution of the Commonwealth, in accordance with the provisions of the fourth article thereof.

FIRST AMENDMENT.

There shall be an additional article to said Constitution to be designated as article eleven, as follows:

ARTICLE XI.

OF PUBLIC DEBTS.

Section 1. The State may contract debts, to supply casual deficits or defects in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts, direct and contingent, whether contracted by virtue of one or more acts of the General Assembly, or at different periods of time, shall never exceed seven hundred and fifty thousand dollars; and the money arising from the creation of such debts, shall be applied to the purpose for which it is raised, or to repay such debts, and to no other purpose whatever.

Section 2. Except the debts above specified, in sections one and two of this article, no debt whatever shall be created by, or on behalf of the State.

Section 3. To provide for the payment of the present debt, and any additional debt contracted as aforesaid, the legislature shall, at its first session, after the adoption of this amendment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debts, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; which sinking fund shall consist of the net annual income of the public works, from time to time owned by the State, or the proceeds of the sale of the same, or any part thereof, and of the income or proceeds of sale of stocks owned by the State, together with other funds, or resources, that may be designated by law. The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not required for the current expenses of government, and unless in case of war, invasion or insurrection, no part of the said sinking fund shall be used or applied otherwise than in extinguishment of the public debts, until the amount of such debt is reduced below the sum of five millions of dollars.

Section 5. The credit of the Commonwealth shall not in any manner, or event, be pledged, or loaned to, any individual, company, corporation, or association; nor shall the Commonwealth hereafter become a joint owner, or stockholder, in any company, association, or corporation.

Section 6. The Commonwealth shall not assume the debt, or any part thereof, of any county, city, borough, or township; or of any corporation, or association; unless such debt shall have been contracted to enable the State to repel invasion, suppress domestic insurrection, defend itself in time of war, or to assist the State in the discharge of any portion of its present indebtedness.

Section 7. The Legislature shall not authorize any county, city, borough, township, or incorporated district, by virtue of a vote of its citizens or otherwise, to become a stockholder in any company, association, or corporation; or to obtain money for, or loan its credit to any corporation, association, institution, or party.

SECOND AMENDMENT.

There shall be an additional article to said Constitution, to be designated as article XII, as follows:

ARTICLE XII.

OF NEW COUNTIES.

No county shall be divided by a line cutting off over one-tenth of its population, (either to form a new county or otherwise,) without the express assent of such county, by a vote of the electors thereof; nor shall any new county be established, containing less than four hundred square miles.

THIRD AMENDMENT.

From section two of the first article of the Constitution, strike out the words, "of the city of Philadelphia, and of each county respectively," from section five, same article, strike out the words, "of Philadelphia and of the several counties;" from section seven, same article, strike out the words, "neither the city of Philadelphia, nor any," and insert in lieu thereof the words, "and no;" and strike out section four, same article, and in lieu thereof insert the following:

"Section 4. In the year one thousand eight hundred and sixty-four, and in every seventh year thereafter, representatives to the number of one hundred shall be apportioned and distributed equally, through the State, by districts, in proportion to the number of taxable inhabitants in the several parts thereof; except that any county containing at least three thousand five hundred taxables, may be allowed a separate representation; but no more than three counties shall be joined, and no county shall be divided, in the formation of a district. Any city containing a sufficient number of taxables to entitle it to at least two representatives, shall have a separate representation assigned it, and shall be divided into convenient districts of contiguous territory, of equal taxable population as near as may be, each of which districts shall elect one representative."

At the end of section seven, same article, insert these words, "the city of Philadelphia shall be divided into single senatorial districts, of contiguous territory as nearly equal in taxable population as possible; but no ward shall be divided in the formation thereof."

The legislature, at its first session, after the adoption of this amendment, shall divide the city of Philadelphia into senatorial and representative districts, in the manner above provided; such districts to remain unchanged until the apportionment in the year one thousand eight hundred and sixty-four.

FOURTH AMENDMENT.

To be section XXVI, Article I.

The legislature shall have power to alter, revoke, or annul, any charter of incorporation hereafter conferred by, or under, any special, or general law, whenever in their opinion it may be injurious to the citizens of the commonwealth; in such manner, however, that no injustice shall be done to the corporators.

In Senate, April 21, 1856.

FIRE PROOFS!

THE SALAMANDER SAFES OF PHILADELPHIA AGAINST THE WORLD!

EVANS & WATSON, No. 26 South Fourth street, Philadelphia, have had the surest demonstration in the following certificates that their manufacture of Salamander Safes has at length fully warranted the representations which have been made of them, as rendering an unfounded security against the terrific element:

PHILADELPHIA, April 12, 1856.

MESSRS. EVANS & WATSON:—Gents—It affords us the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some months since, we saved a large portion of our jewelry, books, papers, &c., exposed to the calamitous fire in Eastend Place, on the morning of the 11th instant.

When we reflect that these Safes were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plates to melt, we cannot but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes.

We shall take much pleasure in recommending them to men of business as a sure reliance against the fire.

GEO. W. SIMONS & BRO.

PHILADELPHIA, April 12, 1856.

MESSRS. EVANS & WATSON:—I have to offer you my testimony in favor of the great security afforded to my entire stock of jewelry, books, papers, &c., during the recent disastrous conflagration in Eastend Place, from the fact that the same were contained in two of the Salamander Safes manufactured by you.

Having fallen from the fifth story of the Artisan building, where they were previously placed, and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the opening and interior examination, a matter of profound astonishment.

To all who may require a perfect protection from the ravages of fire, I shall not hesitate to recommend the use of your Safes, as I consider they have now undergone the most trying test.

N. E. MORGAN.

PHILADELPHIA, April 12, 1856.

MESSRS. EVANS & WATSON:—Gentlemen—No doubt you will be deeply gratified to learn the good condition in which I discovered my book, policy of insurance, certificates of stock, and other valuable documents, when on Friday last I opened the Safe made by your firm.

With my knowledge of its great exposure both to the intensity of the heat from so hot a fire, as that which destroyed the Artisan building, as also from the force of the fall from its former elevated position in the third story, I could entertain but slender hopes prior to its interior inspection, that the contents which I once so highly prized would ever be of any service to me, but as these fears are now happily removed, I feel it only due to say to you, that I can henceforth recommend the use of your Safes to all who may wish to feel a confidence in the perfect security which such means provides against so frightful an element.

HERRING'S SAFE
AGAIN
THE CHAMPION!!

The only Safe which in every instance preserved their entire contents in the late extensive Fires.

AT the burning of the Artizan Buildings April 10th, and in the GREAT FIRE in Market Street, May 1st, 1856, the genuine HERRING SAFE preserved the jewellery of Geo. W. Simons & Bro.; Books, Papers &c, of Fisher & Bro. and Edward Semans & Co., after remaining exposed to the burning ruins for nearly FORTY HOURS, and proving conclusively what we have always claimed for them their great superiority over all securities now known.

In these fires, the HERRING'S SAFE, standing side by side with those advertised as "warranted to stand 10 per cent. more fire than Herrings," came forth the acknowledged victor, not only preserving their contents in excellent order, but being themselves in a condition to go through another ordeal, while the boasted "Salamanders" of other makers were badly used up in every instance, and in some cases their entire contents completely destroyed.

To the public we would simply say, that, during the 14 years that Herring's Safe has been before them, more than two hundred have passed through accidental fires without the occurrence of a single loss.

We would, therefore, caution gentlemen against the misrepresentations of interested parties. The Herring's Patent is the only Fire-proof Safe made in this city which is protected by a Patent Right, and we will guarantee it to resist more than double the amount of heat of any other Safe now known.

A MARVELLOUS REMEDY
FOR A MARVELLOUS AGE

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to an organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured.—Every housewife knows that salt passes freely through bone or meat of any thickness. The healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, SALT RHEUM AND SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the Skin whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.—The ingredients has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and thus been the means of restoring countless numbers to health.

SORE LEGS. SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of of the joints ween 20 years' standing.

PILES AND FISTUL

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected and by otherwise following the printed directions around each pot.

Both the Ointment and ills should be used in the following cases:

Bunions	Lumbago
Burns	Mercurial Eruptions
Chapped Hands	Piles
Chilblains	Rheumatism
Fistulas	Salt Rheum
Gout	Skin Diseases
Sore Legs	Swelled Glands
Sore Breasts	Stiff Joints
Sore Heads	Ulcers
Sore Throats	Veneral Sores
Sores of all kinds	Wounds of all kinds
Sprains	Scalds
