FIRE PROOF! THE SALAMANDER SAFES OF PHILADELPHIA AGAINST THE WORLD! EVANS & WATSON, No. 26 South Fourth Street, Philadelphia, have had the latest demonstration in the following certificates that their manufacture of Salamander Safes has at length fully warranted the representations which have been made of them, as rendering an undoubted security against the terrific element:

PHILADELPHIA, April 12, 1856. Messrs. EVANS & WATSON—Gents—It affords us the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some months since, we saved a large portion of our jewelry, books, papers, &c., exposed to the calamitous fire in Hantsfield Place, on the morning of the 11th instant.

When we reflect that these Safes were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plates to melt, we cannot but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes.

With my knowledge of its great exposure to the ravages of fire, I shall not hesitate to recommend the Salamander Safes, as I consider they have now undergone the most trying test. N. E. MORGAN. PHILADELPHIA April 12, 1856. Messrs. EVANS & WATSON—Gents—Do not doubt you will be deeply gratified to learn the good contents of the certificate of stock, book, policy of insurance, certificates of stock, and other valuable documents, when on Friday last I opened the Safe made by you for me.

EVANS FIRE AND THEIF PROOF SAFES! FOR Merchants, Law-ers, Farmers and Others, to preserve from FIRE or BURGLARS, Day & Newell's (Hobbs) BANK LOCKS. A CARD—The "FIRE PROOF SAFE," that preserved our Books, papers, &c., during the great fire at Hart's Buildings, was purchased of OLIVER EVANS, & Co., St. Philadelphia. GETZ & BUCK.

"REFRIGERATORS AND WATER FILTERS." EVANS' Premium Ventilated Refrigerators for cooling and preserving meats, milk, water and all articles for culinary purposes. WATER FILTERS, for purifying brackish or muddy water, whether collected by rains, lime-water, or other impurities, and is attached to the Refrigerators—a small quantity of ice cooling the whole, in the warm weather. PORTABLE SHOWER BATHS, for the use of invalids in cold water. WATER COOLERS, for Hotels, Stores & Dwellings. STOVE-TRUCKS, for moving boxes, bales, &c. SEAL PRESSES, COPYING do, DRUG GIST do. OLIVER EVANS & CO. (Established in 1833.) Feb. 8, 1856.

HERRING'S SAFE AGAIN THE CHAMPION! The only safe which in every instance preserved its contents in the late calamitous fires. AT the burning of the Artizan 11 buildings April 10th, and in the GREAT FIRE in Market Street, May 1st, 1856, the genuine HERRING'S PATENT proved the jewel of the hour. HERRING'S PATENT, & Co., after remaining exposed to the burning ruins for nearly FORTY HOURS, and proving conclusively their great superiority over all claimed now known.

In these fires, the HERRING'S SAFE, standing side by side with those advertised as "warranted to stand 100 per cent. more fire than any other," came forth the acknowledged victor, not only preserving their contents in excellent order, but being themselves in a condition to go through another ordeal, while the boasted "Salamanders" of other makers were badly used up in every instance, and in some cases their entire contents completely destroyed.

To the public we would simply say, that during the 14 years that Herring's Safe has been before them, more than two hundred have passed through accidental fires without the occurrence of a single loss. We would, therefore, caution purchasers against the misrepresentation of interested parties. The Herring's Patent is the only Fire-proof Safe made in this city which is protected by a Patent Right, and we will guarantee it to resist more double the amount of heat of any other Safe now in use.

PAIRLIS & HERRING, Sole Manufacturers in this State of "HERRING'S PATENT CHAMPION SAFES," 34 Walnut St. Philadelphia. N. B.—Evans & Watson's Improved Salamander, "Oliver Evans's," "C. J. Gayler's," and "Scott's Abestos" Iron-Chests, (a large assortment having been taken in part payment for "Herring's") will be sold at low prices. June 13, 1856.
