HERRING'S SAFE

AGAIN

THE CHAMPION!!

The only Safe which in every instance preserved their entire contents in the late extensive Fires.

AT the burning of the Artizan Buildings April 10th, and in the GREAT FIRE in Market Street, May 1st, 1856, the genuine HERRING SAFE preserved the jewellery of Geo. W. Simons & Bro.; Books, Papers &c, of Fisher & Bro. and Edward Semans & Co., after remaining exposed to the burning ruins for nearly FORTY HOURS, and proving conclusively what we have always claimed for them their great superiority over all securities now known.

In these fires, the HERRING'S SAFE, standing side by side with those advertised as "warranted to stand 10 per cent. more fire than Herrings," came forth the acknowledged victor, not only preserving their contents in excellent order, but being themselves in a condition to go through another ordeal, while the boasted "Salamanders" of other makers were badly used up in every instance, and in some cases their entire contents completely destroyed.

To the public we would simply say, that, during the 14 years that Herring's Safe has been before them, more than two hundred have passed through accidental fires without the occurrence of a single loss.

We would, therefore, caution purchasers against the misrepresentation of interested parties. The Herring's Patent is the only Fireproof Safe made in this city which is protected by a Patent Right, and we will guarantee it to resist more than double the amount of heat of any other Safe now known.

SALAMANDER SAFES.

No. 26 S. FOURTH St., Philada.

TRUTH IS MIGHTY, AND MUST PREVAIL.

Report of the Committee appointed to superintended the Burning of the Iron Safes, at Reading, February 27, 1857.

READING, March 4.

The undersigned, members of the committee, do respectfully report, that we saw the two Safes originallly agreed upon by Farrels & Herring and Evans & Watson, placed side by side in a furnace, viz: The Safe in use by the Paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading, manufactured by Farrels & Herring, and the Safe in use by H. A. Lantz, in his store, manufactured by Evans & Watson, and put in books and papers precisely alike.

The fire was started at 8½ o'clock, A. M., and kept up until four cords of green hickory, two cords dry oak and half chesnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the Committee. The Safes were then cooled off with water, after which they were opened, and the books and papers taken out by the Committee and sent to H. A. Lantz's store for public examination, after they were first examined and marked by the Committee. The books and papers taken from the Safe manufactured by Evans & Watson were but slightly affected by the intense heat, while those taken from the Safe manufactured by Farrels & Herring were, in our judgment, damaged fully fifteen per cent. more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both Safes.

JACOB H. DYSHER,
DANIEL S. HUNTER,

Having been absent during the burning, we fully coincide with the above statement of the condition of the papers and books taken out of the respective Safes.

HOVERS LIQUID HAIR DYE.

THIS HAIR DYE needs only a trial to satisfy all of its perfection as a DYE, and the following testimonial from that eminent Analytic Chemist, Professor Booth, of the U. S. Mint, will only confirm what thousands have previously borne testimony to.

"Laboratory for Practical Chemistry,
St. Stephen's Place,
Philadelphia, February 17th, 1857.

"Being well acquainted with the substances composing *Hover's Liquid Hair Dye*, I am satisfied, that by following the simple directions given for its use, it will not injure the Hair or Skin, but will give a *natural and durable color to the Hair.*

JAMES C. BOOTH, *Analytic Chemist.*"

HOVER'S WRITING INKS, including *Hover's Fluid*, and *Hover's Indelible Inks*, are too well known and introduced to require any additional testimony of their character. The sales have been increasing since their first introduction, giving evidence that the articles truly possess that intrinsic merit claimed at first for them by the Manufacturer.

Orders, addressed to the Manufactory, No. 416 RACE street above FOURTH, (old No. 144) Philadelphia, will receive prompt attention by,

JOSEPH E. HOVER, *Manufacturer.*

A GIFT OF

ONE THOUSAND COPIES.

RUSSEL & RICHARDSON have in press a work entitled the MUSICIAN'S GUIDE, Edited by Nathan Richardson, Author of the "Modern School for the Piano-Forte," which recently took the first Prize Medal and is so highly recommended by Thalburg, Dreyschock, Jaell, Dr. Lowell Mason, Wm. Mason, and others as being superior to all other instruction books published.

The MUSICIAN'S GUIDE will be ready some time this month. The engraving of some of the important plates delays it somewhat.

It is a large quarto of 56 pages containing many beautiful engravings, and a descriptive index to the ideas of over 500 different composers of Music. It is an invaluable Book for Teachers of Music, Amateurs, and all Players and Singers.

Desirous of making a rapid introduction of this work, we are induced to GIVE AWAY the first edition of ONE THOUSAND COPIES to people interested in musical matters, and we WILL PAY THE POSTAGE.

N. B.—Only one copy will be sent to the same address. The work will also be sent in the same order that the addresses are received.

P. S.—You will certainly get a copy *free of all expenses*, by sending your name and address without delay, to

RUSSEL & RICHARDSON,
Music Publishers, Boston, Mass.

N. B.—TO EDITORS.—Russel & Richardson will send you two dollars' worth of their latest Musical Publications, Postage paid, if you will give the above advertisement (including this offer,) one insertion in your paper.

LOTTERIES.

THE Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commissioners appointed to Superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner. They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The Managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co., are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket in every ten must draw a prize.

TICKETS ARE $10;

halves, $5; quarters, $2,50. No ticket sent unless the money accompanies the order.—The drawings are upon the principle of one number on each ticket, and are so simple that none can fail to understand them. There is no combination of numbers to mystify the buyer. Prizes vary from

$40 to $50,000;

every prize being drawn, and result of drawing forwarded to all purchasers.

☞ A list of the numbers that are drawn from the wheel with the amount that each prize is entitled to, will be published after every drawing; in the following papers:—New Orleans *Delta*, Mobile *Register*, Charleston *Standard*, Nashville *Gazette*, Atlanta *Intelligencer*, Savannah *News*, and New York Weekly *Day Book*. Write your address plainly, and direct to

S. SWAN & Co., *Atlanta, Georgia.*

Prizes paid in full—no percentage deducted from prizes as in other lotteries.

All communications strictly confidential.

Always Something New.

READ THIS---OLD AND YOUNG!

PROFESSOR WOOD'S

HAIR RESTORATIVE

IS, no doubt, the most wonderful discover of this age of progress, for it will restore permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all scrofula, and other cutaneous eruptions, such as scald head, etc. It will cure, as if by magic, nervous or periodical headache; make the hair soft, glossy and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age.

The following is from a distinguished member of the medical profession:

ST. PAUL, January 1, 1855.

PROFESSOR O. J. WOOD—

DEAR SIR: Unsolicited, I send you this certificate. After being nearly bald for a long time, and having tried all the restoratives extant, and having no faith in any, I was induced, on hearing of yours to give it a trial. I placed myself in the hands of a barber, and had my head rubbed with a good stiff brush, and the Restorative then applied and well rubbed in, till the scalp was aglow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and is now thick black and strong—soft and pleasant to the touch; whereas, before, it was harsh and wiry, what little there was of it, and that little was disappearing very rapidly. I still use your restorative about twice a week, and soon shall have a good and perfect crop of hair. Now, I had read of these things—and who has not?—but have not seen hitherto any case where any person's hair was really benefited by any of the hair tonic, etc., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has a large and general sale throughout the Territory.—The people here know its effects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made of it. You deserve credit for your discovery; and I, for one, return you my thanks for the benefit it has done me, for I certainly had despaired long ago of ever effecting any such result.

Yours, hastily,
J. W. BOND.

Firm of Bond & Kelley, Druggists, St. Paul.

[From the Editor of Real Estate Advertiser.]

BOSTON, 27 School Street, *March* 20, 1855.

DEAR SIR: Having become prematurely quite gray, I was induced, some six weeks since, to make a trial of your Restorative. I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of change is gradually going on, and I am in great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry: and it has ceased to come out as formerly.

Respectfully yours,
D. C. M. RUPP.

Professor Wood.

CARLYLE, Illinois, *June* 19, 1855.

I have used Professor Wood's Hair Restorative, and have admired its wonderful effect.—My hair was becoming, as I thought prematurely gray, but by the use of his "Restorative," it has resumed its original color, and I have no doubt, permanently so.

DIAMOND TONSOR.

JOHN W. TIPTON, *Fashionable Barber and Hair Dresser*, can at all times be found prepared to attend to the calls of the people, at the Temple, in the Diamond, adjoining the County Building. From long experience, he flatters himself that he can go through all the ramifications of the

Tonsorial Department

with such an infinite degree of skill, as will meet with the entire satisfaction of all who may submit their chins to the keen ordeal of his razors. He hopes therefore, that by his attention to business, and a desire to please, he will merit as well as receive, a liberal share of public patronage. The sick will be attended to at their private dwellings.

300,000 SEGARS of every description and Brands, all of which are offered lower than any other House in the city. And warrants all he sells to be of the best material. Call and examine.

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which *cure*; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. SEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"*Pa. R. R. Office, Philadelphia, Dec. 12, 1853.*

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, N. D., of Wentworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"*Acton, Me., Nov. 25, 1853.*

"DR. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.,

MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,
Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physicians, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"*New Orleans, 5th April, 1854.*

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unthankful to it. Yours respectfully,

LEAVITT THAXTER."

"*Senate Chamber, Ohio, April 5th, 1854.*

"DR. J. C. AYER—Honored Sir: I have made a thorough trial of the CATHARTIC PILLS, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent ones have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the efforts of your CATHARTIC PILLS. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known wherever they reside, and who would not make these statements without a thorough conviction that they were true.

ONLY ONE BOTTLE OF

DR. SANFORD'S *Invigorator, or Liver Remedy*

IS required to cure any one troubled with Liver Complaints, unless the most desperate of cases, when the second bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Invigorator is compounded by a physician who has used it in his practice for the past twenty years with a success almost credulous, and that it is entirely vegetable, being composed wholly of gums.

Some idea of the strength of these gums may be formed when it is known one bott
