The Basement Sale of Fancy China Presents Notable Savings

The January White Sale Opens To-morrow Presenting the New Fashions in French and American Lingerie

Lingerie styles have radically changed, and to-day they seem to have achieved the superlative degree of dainty grace and filmy charm. Of such sheer materials as crepe de chine, net, silk muslin, softest nainsook and fine cambrie are the garments fashioned, and exquisitely trimmed with Cluny, Irish crochet, Valenciennes and shadow laces, batiste and cambric embroideries, embroidery and lace medallions and dainty ribbon. Many novelties, so fascinating and chic, showing the influence of the French designers, make their appearance in this white sale, and introduce the new shoulder-strap gowns, the exquisite touch of little rosebuds, the latest flat trimmings, all lace and net slips—styles that are practical despite their decided novelty. *This White Sale is a feast of all the pretty things which women treasure so highly. A style showing of French and American Lingerie.*
