Limestone Caves in Australia Wonderful

What are perhaps the most marvelously beautiful limestone caverns in the world have recently been discovered in that part of Western Australia...

of stairs having been descended, the entrance hall is reached. This takes the form of a spacious domed grotto some hundred and fifty feet in diameter and twenty-five feet high.

\$40,000 FOR LOSS OF ARM

New York, Jan. 9.—What is said to be the record compensation for injury in this State was given Bruce Spinks, a mechanic yesterday when a Supreme Court jury awarded him \$40,000 for the loss of his arms while employed in the Kingsland, N. J. shop of the Delaware, Lackawanna and Western railroad.

GOOD ROADS PLAN TO BE WORKED OUT

Men of All Parties and Organizations Get Together For a Plain Talk

The special committee provided for last evening by the conference of the advocates of good roads, held here under the auspices of the Pennsylvania Good Roads Association, will make a thorough study of the road laws of the State and consider the needs of rural communities.

Good Roads Association, the Pennsylvania State Federation of Labor and other organizations were represented. Twenty-five men who have been identified with the road movement were present.

SURE INDICATIONS OF LUNG TROUBLE

Among the indications of threatened Lung Trouble are a continued cough, fever and night sweats. A change of climate often helps, but it seems that something more is needed to stop the cough and sweats and arrest the progress of disease.
