

Go Armed Against Stomach Trouble

A. Stuart's Dyspepsia Tablet Carried in Your Purse or Vest Pocket Will Enable You to Always Keep Your Stomach in Line

Don't let all sorts of stomach troubles, dyspepsia, gastritis, mal-nutrition, dysentery and vertigo make life a constant torture and an ultimate failure. The man who is going to succeed to-day must have his body, as well as his mind, in perfect working order. Stuart's Dyspepsia Tablets are a necessity to the man who would always have his body in subjection to his will.

"I Eat When I Will, What I Want, Because After Each Meal I take a Little Stuart's Dyspepsia Tablet."

Stuart's Dyspepsia Tablets furnish just those elements—pepsin and other ingredients—that the normal stomach secretes for the digestion of food. One or two of these tablets will completely digest the heartiest meal without any aid from the stomach. At the same time they tone up and invigorate the enfeebled stomach so that it is soon in a healthy condition again.

Prudent men always have a box of Stuart's Dyspepsia Tablets on hand. They make digestion certain no matter what or how much is eaten. Don't think because your stomach is usually all right that you don't need them. The policeman carries a revolver not because he needs it all the time, but because when he does need it, he needs it right then. When you want relief from indigestion, you want relief at once. Be armed against stomach troubles with a box of Stuart's Dyspepsia Tablets, 50 cents at any drug store. Successful men everywhere endorse them and rely upon them.—Advertisement.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His object was to bring out these little olive-colored tablets. These pleasant little tablets do the good that calomel does but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes has to be used with the bowels. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

TEETH

Do Your Teeth Need Attention?

CHARITIES TO HEAR OF VULETIDE WORK

Co-operative Plans Carried With Better Results Than Ever Before

How the co-operative charitable work in the city was developed and increased during the last twelve months will be embodied in the annual report of the Associated Charities that will be presented to the board of governors at the annual meeting in February. The statistics are now being compiled.

The Christmas-tide and holiday season work was particularly productive of splendid results; the dispensing of charity on a co-operative basis was accomplished more effectively than ever before. The various churches, the State collegians, the Technical high school students, the various charitable and philanthropic organizations, the Sunday school classes and little private clubs, all co-operated with the charities in such a way that it is doubtful if very many small folks were forgotten this year by Santa.

One of the highest undertakings in which the charities assisted and the proceeds of which will be handled by this body, is the Red Cross Christmas seal campaign. The returns of the seal sales are not yet all in but it is safe to say that between \$40,000 and \$50,000 were sold.

At Christmas time the Associated Charities provided the names for 655 of the State collegians who organized a charity campaign in this city, the names of forty-nine families which were provided with groceries; three families with coal, and fourteen with clothing; twenty-six tickets for baskets were distributed by the American Rescue Workers, and eighteen individuals and churches were provided with recommendations of names for folks who needed clothing.

The smaller clubs this year co-operated more than ever before, and in one instance the "W. W. Club," an organization of pretty Allison Hill girls, ranging from thirteen to fifteen years, did particularly good work. The girls prepared all the necessary clothing for the seven children of a widow's family, providing the things that had been suggested by the charities.

RECEPTION INVITATIONS ISSUED Mechanicsburg, Pa., Jan. 9.—Invitations have been issued for the annual reception given by the Woman's Club of this place, to be held on Thursday evening, January 22, from 8 to 11 o'clock, at the Business Men's League. A large number of people from Mechanicsburg and out of town will be present.

HAND-BADLY CUT Mechanicsburg, Pa., Jan. 9.—Miss Ruth Garrett, South High street, an employe of the Biddle dry goods store, met with a serious accident when she fell on the porch at her home and cut her hand on a piece of broken glass. It was cut so deep that a number of stitches were required by the attending physician in dressing the wound.

YOUNG POINTS TO SHRINKING BALANCE

Says That He Will Not Draw Out the State Money All at Once, But as Needed

State Treasurer Robert K. Young last night supplemented his warning to bankers that the time was coming when he would have to withdraw money of the State's general fund from all but active depositories by a statement in which he said that he did not expect to take out the money except when it was absolutely necessary to meet the demands on the Treasury. He said that his warning should be understood by bankers who are arranging at this time for their bonds for State deposits and reiterated his fear that the balance would go very low during 1914.

"I do not intend to make a wholesale call on banks for funds, but I want to warn them," said he. "Today, for instance, there is about three-quarters of a million in the active depositories and they have given bonds for three millions, on which they are paying."

It is estimated that about 225 active depositories are hit. The 100 or so active depositories of the sinking fund, which amounts to about \$800,000, are not affected. Only those with general funds are likely to be called upon.

The shrinking balance. Just how the general fund of the State, which a few years ago was over ten millions, has been shrinking because of the lavish legislative appropriations, is illustrated by this table of the balances at the end of eight months of 1913:

Table with 2 columns: Date and Balance. May 31: \$8,377,868.63; June 30: 7,791,987.47; July 31: 7,446,166.39; August 31: 6,452,003.01; September 30: 5,774,298.01; October 31: 5,793,817.80; November 30: 6,766,497.50; December 31: 6,801,947.18

The jump in November was due to the close of the fiscal year and the effort to break all records in receipts. Some large payments were also made in December, but this is the slack season in State receipts, and the balance may go down to \$2,000,000.

Mr. Young says:

Owing to communications from various banks during the last twenty-four hours, I conclude there is a misapprehension on the part of some with reference to the statement given to the press yesterday by me relating to the subject of State deposits and the general condition of the Treasury. The withdrawal of State funds from inactive depositories has been a matter of necessity to meet the disbursements of the State government. It seems to have been the financial policy of the Legislature for some years past, if they have a financial policy, to diminish the balance in the Treasury by making appropriations in excess of the annual revenues.

Withdrawals from inactive depositories will be made from time to time only when necessary to meet the payments due from the State. This is not a matter of policy on the part of the Treasurer, but a matter of necessity. If the revenues should exceed the payments, no settled plan of withdrawals from present inactive depositories will be followed. Not many years since, in fact, at the time of the completion of the building and furnishing of the State Capitol, the balance in the general fund of the Treasury was about \$12,000,000. This balance has steadily decreased since that time until now it has reached the sum of about \$5,000,000 or \$6,000,000, varying somewhat from month to month. No transfer of funds from inactive to active depositories has been found to be necessary during the last week and may not be necessary again for some weeks to come.

My statement of yesterday was made with a view to informing the public in general, and bankers in particular, of the diminishing balance in the Treasury and to state my conviction that a point may be reached during the present year when it will be necessary to carry all of the general fund in the active depositories in order to meet current expenses.

Two Pennsylvania Couples Married at Hagerstown

Special to The Telegraph Hagerstown, Md., Jan. 9.—Miss Blanch May Westenhaver and Mr. Harpe M. Snively, a young couple from Hershey, Pa., were married yesterday at the parsonage of the First Baptist Church, in this city, by the Rev. E. K. Thomas.

Zinn, installed the following officers: President, Mrs. Alice Starr Hauck; junior vice-president, Mrs. S. S. Diehl; chaplain, Mrs. H. S. Mohler; treasurer, Mrs. L. Bricker; secretary, Mrs. Emma — Rhinehart; conductor, Mrs. Margaret Eberly; assistant conductor, Mrs. J. Barnhill; guard, Mrs. Elizabeth Meyer; color bearers, Mrs. Frye, Mrs. Sue Bricker, Mrs. Sheffer, Mrs. Harry Snively; pianist, Mrs. S. S. Diehl.

SISTER'S MARRIAGE ANNOUNCED

Special to The Telegraph Marietta, Pa., Jan. 9.—Mr. and Mrs. Samuel Erb, of West Marietta, announce the marriage of their sister, Miss Margaret C. Groh, to Joseph C. Moore, of Kinderhook, on the ceremony being performed at Hagerstown, Md., on Saturday, December 27. The wedding was a complete surprise.

FOR DELICATE CHILDREN

A Mother's Letter to Mothers. Mrs. E. W. Cooper, of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, I reaping up her cold quickly and building up her strength beside. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones. Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol on our guarantee. George A. Gorgas, druggist, Harrisburg, Penna. Vinol is sold in Steelton by T. Prowell. P. S. Our Saxo Salve is truly wonderful for Eczema. We guarantee it.—Advertisement.

Special After-New-Year Reductions
