## TABERNACLE WON'T HOLD CONGREGATION

### Attendance at Biederwolf Meetings at Waynesboro So Great Building Is Enlarged

Waynesboro, Pa., Jan. 13.—The attendance at the tabernacle to hear the sermons preached by Dr. Biederwolf, the great evangelist, who is conducting a five weeks' campaign here, has grown in such numbers that there isn't sufficient room in the spacious building with a seating capacity of 5,000 persons to accommodate the people.

It was announced on Sunday afternoon and evening by Dr. Biederwolf that the tabernacle would be enlarged and he requested fifty members of his congregation to report at the building early Monday morning with hatchets and saws, for the purpose of taking out the east side of the tabernacle and making the building seventeen feet wider and 125 feet longer. The men reported for work as requested and the addition was built, under the direction of S. K. Yankey. This will give accommodations to at least five hundred more persons. There will be no services in the tabernacle Monday night.

Dr. Biederwolf has been here one week and the attendance has been 29,500; collections amounted to \$897.67, and there were 208 conversions. Sunday was a red-letter day. At the men's meeting in the tabernacle during the afternoon there were 4,000 persons present; the collection amounted to \$210.32, and there were 25 conversions. At the same time by Mrs. Marie Brake, assistant to Dr. Biederwolf, in the Methodist church, there were 1,200 present; the collection amounted to \$22.50, and there were seven conversions. At the service Sunday evening the tabernacle was not large enough to accommodate the gathering—several hundred persons could not gain admission. There were 5,000 people present. The collection amounted to \$111.33, and there were 110 conversions.

Dr. Biederwolf said the attendance was the best in his experience, considering the short time he has been conducting the meetings here.

## TO MAKE LEBANON "DRY"

Annville, Pa., Jan. 13.—Remonstrances are being circulated through Annville for the purpose of making Lebanon county "dry." The remonstrances, in the hands of several of the citizens, are being circulated, about one-third of the voters of this place having already affixed their signatures. A remonstrance was placed in Lebanon Valley College, nearly all the male students signing their names.

## Major George Kemp Winner of Newport Slogan Prize

Newport, Pa., Jan. 13.—The "Old Boy" has been discovered. Major George Kemp, of Philadelphia, has written to his friends, Charles W. English, stating that he had sent in the slogan, "Newport on the Blue Juniata." Major Kemp, who has been superintendent of the Germantown Post Office, was a resident here many years ago, but still takes an interest in and is in touch with the doings of his old home.

## COASTER BADLY INJURED

Newport, Pa., Jan. 13.—Samuel H. Kipp, 9 years old, son of Mr. and Mrs. J. Walter Kipp, met with a very painful accident on Saturday while sledding in Oliver street. The boy started at the top of the hill, lying on his stomach, with his 5-year-old brother, James Kipp, and Irwin Terman on top of him. At the foot of the hill he was unable to make the turn at a tree and ran into a pile. His hip was cut through, the whole way across, at the base of the nose and required many stitches to bring the parts together. His companions were uninjured.

## Water Pipe Awards Under New System

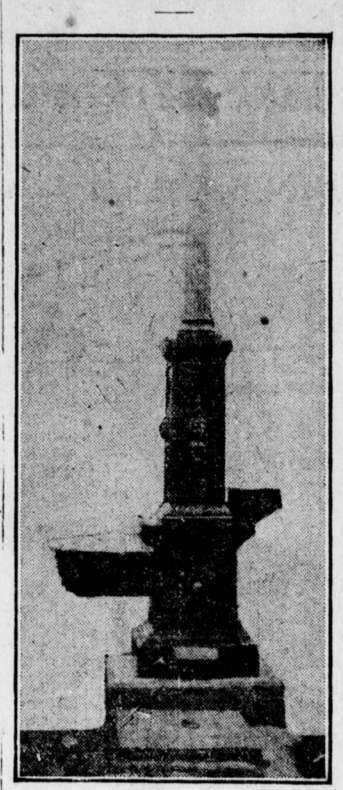

Under the new system of competitive bidding for Water Department supplies inaugurated by Commissioner of Public Safety Harry P. Bowman, contracts for laying pipe in Thompson, Logan and Second and Division streets were let yesterday by Mr. Bowman. The awards were made shortly before 4 o'clock. Some weeks ago Mr. Bowman announced that no contract for any materials would be awarded in his department unless there was a bid offered. For this reason he rejected the proposal of Millard F. Saul at the time, the only bidder. Mr. Bowman announced that a resolution formally letting the contract that was submitted to Council this afternoon. The bids, per foot, are as follows:

Thompson street, Johnson Brothers, 87 cents; Stucker Brothers, 81; M. F. Saul, 75 cents; W. H. Opperman, 74 cents; S. W. Shoemaker and Son, 67 cents; Logan street, Johnson Brothers, 22 cents; Stucker Brothers, 22 cents; Opperman, 19.5 cents; Shoemaker and Son, 27 cents; Division street, Johnson Brothers, 23 cents; Stucker Brothers, 23 cents; M. F. Saul, 27 cents; W. H. Opperman, 27 cents; and Shoemaker and Son, 27 cents.

## WEST SHORE NEWS

### MARYSVILLE PUBLIC FOUNTAIN ERECTED

#### Needed Improvement Secured by Contributions Solicited by J. D. Carmichael

The finishing touches in the placing of Marysville's handsome new public fountain took place on Saturday afternoon. Although the work is all completed, water will not be turned into the fountain until Spring, on account of the danger of freezing. Impressive dedication exercises will be held at that time.

The fountain is twelve feet in height, with a large globe on top, in which an electric light has been placed. The fountain has drinking receptacles for dogs and horses, and a sanitary drinking bulb for the needs of man. The bowl for dogs is seen in the picture in front, near the bottom; the bowl for horses is at the left and the sanitary drinking bulb is at the right.

Pure mountain water, piped from the reservoir of the Marysville Water Company, at Lamb's Gap, four miles west of Marysville, will be furnished for the fountain, free of charge, for ninety-nine years, by the company.

A public fountain has been one of Marysville's greatest needs for many years. Through the hot summer days of next summer, the weary traveler, refreshed by a drink of pure, cool water, will breathe many thanks to Jacob D. Carmichael, Marysville's street commissioner, through whom the purchase and placing of the fountain was made possible. He first thought of Carmichael's great need and set out to secure money for the purchase of the fountain. In the securing of the necessary contributions, Mr. Carmichael put in eight weeks of hard work. "Jax," as he is familiarly called, deserves great credit for the town's residents, for the work he has done for "A Bigger and Better Marysville."

## State Officials Hold Farmers' Institute in New Cumberland Hall

A number of farmers from York and Cumberland counties are attending the farmers' institute which opened yesterday under the auspices of the Department of Agriculture, in Junior Hall, New Cumberland. An address by "Potato Culture" was given by H. M. Anderson and D. H. Watts, and "Soil and Plant Nutrition." In the evening C. M. Barnitz, a son of the late Rev. Mr. Barnitz, a former pastor of the Methodist Episcopal church at New Cumberland, talked on "Chick from Shell to Maturity," illustrated with lantern slides. Music was rendered by the Emerson Glee Club and men's chorus.

## BANQUET FOR FIREMEN

Penbrook, Pa., Jan. 13.—Plans are being made by the members of the fire company for the semi-annual banquet which will be held in the town hall either in the latter part of this month or early in February. An executive committee will be appointed in the near future to arrange for the feed. Invitations will be sent to all of the members of the company and it is thought more than one hundred will be present.

## A Great Kidney Remedy According to Thousands of Reports

My wife has been suffering with kidney and bladder trouble in a bad form since she was nine years of age. She was in such condition that she was confined to bed and several doctors here treated her, but to no effect. About nine months ago she began to take Dr. Kilmer's Swamp-Root and began to improve immediately. She is practically well now and is able to do all of her work. At the time she was sick she suffered greatly and it looked as if she would die, but thanks to your valuable remedy, she is now a new woman. I can recommend Dr. Kilmer's Swamp-Root as the best kidney and bladder remedy on earth and if you desire you may publish this letter in the hope that it may enable other sufferers to get relief.

Yours very truly,  
G. T. CURRY,  
Hubbard, Texas.

Subscribed and sworn to before me this 5th day of April, 1912.

## COUNCIL ELECTS

### RUSSEL R. SEAMAN ASS'T CITY CLERK

#### Incumbent Under Old Form of Government Unanimously Chosen Today

Russel R. Seaman, for more than two years Assistant City Clerk to Councils under the old form of government, was this afternoon elected Assistant City Clerk under the commission form of government.

The ordinance creating the office of assistant at \$1,200 per year was passed last week and upon motion of Commissioner W. H. Lynch, with the second of Commissioner Harry E. Bowman, Mr. Seaman was by unanimous vote chosen to the position at this afternoon's session. Mr. Seaman, who has served in the State Department of the Dairy and Food Commission and later as clerk to Mayors Gross and Royal, has an unusually fine record as Assistant City Clerk and a wide circle of friends.

Council took no action with reference to new officers for the Police Department. Rumor had it yesterday that the expected shake-up to the extent of a dozen policemen, a couple of sergeants and the lieutenant was to occur to-day. Commissioner Lynch, of the Department of Streets and Public Improvements, smilingly declined to discuss the matter to-day.

Board of Health Ordinance Passed. Finally the ordinance creating the Board of Health. The members of the present board have been asked to remain, although their terms of office will appointive for terms of from one to five years.

The acceptances of D. E. Tracey, Ed. C. Thompson and J. William Bowman as members of the Board of Public Works were received by Council to-day. The Park Board's acceptances got in too late for action to-day, but will be formally received at the next meeting.

Council approved the contracts of the pipe line bids as awarded by Commissioner of Public Safety Bowman yesterday. By the competitive bidding method adopted by the superintendent \$547 was saved.

The Friendship Fire Company was given permission to hold a fair in the fire house from January 19 to February 2 on motion of Commissioner Taylor. Mayor Royal, while declaring that he wasn't opposed to the resolution, asked whether the old council had passed an ordinance prohibiting this. Mr. Taylor said the company wanted the proceeds to refurbish its parlors in view of expected entertainment when the big firemen's convention comes to Harrisburg. He knew of no ordinance against it, he said, although he believed Council once made a rule prohibiting this. The Mayor said the ordinance referred by him to the old Council were refused action. He didn't recollect, he said, that such permission had been granted.

And Again, Yes "Oh, yes," genially interpolated Mr. Lynch. "That's been done. It's the only way these companies have to

## WHAT TO DO FOR NEURALGIA

The one great symptom of neuralgia is pain; the one great cause is lack of nutrition for the nerves, in plain language—starved nerves.

There are two things to do for any form of neuralgia. Apply heat to the affected part to soothe the pain, and feed the nerves by taking a tonic containing the elements needed by them. Heat, as afforded by hot fannel, hot water bags, etc., but the inflamed nerves into temporary quiet. It does not cure. Not until the nutrition of the nerves is restored will the inflammation subside.

Dr. Williams' Pink Pills furnish to the blood the needed elements and the blood conveys them to the nerves. The only way of getting food or medicine to the nerves is through the blood. Remember that.

Neuralgia is a general term. It means inflammation of a nerve. It is given different names according to the nerve affected. Sciatica is neuralgia of the sciatic nerve. Application of heat will soothe the pain in all forms of neuralgia and Dr. Williams' Pink Pills will correct the condition that caused it. Your own druggist sells Dr. Williams' Pink Pills and the Dr. Williams' Medicine Co., Schenectady, N. Y., will send you a little book on "Home Treatment of Nervous Disorders" for the asking.—Advertisement.

"I am going on a long cruise," he said, "and I know the value of good teeth. Good teeth mean good health afloat or ashore and a man can't do his work well unless he has good health."

In the army and the navy, and in all great industrial spheres the value of good teeth is being recognized. Statistics prove that sound, clean teeth, preserve health and promote business efficiency.

The twice-a-year visit to the dentist and the twice-a-day use of Colgate's Ribbon Dental Cream, the efficient, deliciously flavored dentifrice, insure sound clean teeth, better health and better looks.
