at Atlantic City in April

Dopésters among the local bowling onthusiasts are beginning to look about for material for the all-star team which is to represent the city in the National Bowling Association tour nament in Atlantic City on April 14. M. D. Frve, manager of the Casino

M. D. Frye, manager of the Casino alleys, will manage the team. Among the probable choices for the all-star team are Barnes, with an average of 570 per match; Atticks, 561 per match; Montgomery, 550; Thome, 545, and Krail, 540. This team would average 2766, but at least 2850 could be made by this line-up. This would be high enough to take a prize at the tournament. This team has arranged games with Lebanon, Lancaster, Carlisle, Reading and Philadelphia. The series will whip the team into shape in plenty of time.

Good Boxing Bill at Lancaster Club

Letting You in on the Secret **Of Cuban Babies' Quality**

Any smoke that doesn't taste right on the first pull has a hard row to hoe to the end. That's no secret to the man who makes it. So right down at the end that's first lighted, he slips in his best tobacco. Much of that end is clipped off in cutting the cigars to uniform length.

It's these clippings from our Moja 10c Cigars and King Oscar 5c Cigars that are used in the making of

BAN

Don't get sot against their cost-that's where you're lucky! The only reason you get them at the price you do is because the clippings are too small to make up into a regular five cent cigar. The best we can do is to make them about half as big and sell them at half the price,

2 For 5c

They are real Quality through and through-don't forget that. They are rolled in a Sumatra wrapper and have all the finish of a high priced cigar.

They are short, and fit into the smoke periods of the day when you haven't time to burn up a big five center.

They are mild and your nerves won't object to 'em, no matter how fast they come.

They cost so little that your pocketbook, like your taste and your nerves, will be contented.

Cuban Babies are the best thing that's hit smokedom for a long time The longer you put off trying them, the longer we both lose. Spend a Quarter To-day on a Sure Thing
