Would You Call This a Miracle or Just Luck?

It is a pretty generally known fact among the garment people that Genuine Persianna Coats are scarce--in fact so scarce that you have to hunt for them. Here's a case where a New York manufacturer had ninety-two genuine Persianna Coats on hand and needed cash. Well, with this material as scarce as it is he wouldn't have had to look far to sell his goods. But luck was with him, and good luck because our buyer was on the spot, just at the right moment. The manufacturer accepted a ready cash offer and expressed the coats to us before our buyer returned from New York.

\$12.50 was the former price of twenty high class Chinchilla Sport Coats that will be on special sale Saturday at

\$10.98, \$12.98, \$14.98

These coats are made of genuine Salt's Arabian Lamb and Heine and Harrison Ural Lamb, and they are lined with yarn dyed satin. Four different styles, 48 and 54 inches long, in black only—black is fashionable.

Our prices do not cover the cost of the material, if bought in the regular way. It is indeed so unusual to sell these coats at our prices that we are quite certain the entire collection will be disposed of in a very short time, so be as early as possible Saturday morning. The store opens at 9 o'clock.
