Let Vinol Make You Strong.

Run-down conditions are caused by overwork, worry, too close confinement, a chronic cough or cold which it is difficult to cure.

We want to say to every person in this condition—you need Vinol, our delicious cod liver and iron tonic without oil, the great strength creator. It will supply iron to the blood in the most easily assimilated form, create healthy appetite, strengthen your digestive organs and make you eat better, sleep better and feel better.

A case has just come to our attention from Racine, Wis. Mrs. W. H. Brill says: "I was in a very bad run-down condition. Life was not worth living. I could not sleep—was nervous and not able to work—and doctors failed to help me, but Vinol does wonders for me. In a short time I was stronger than ever and had gained 22 pounds."

We are confident that Vinol is the best body builder and strength creator we have ever sold. Try a bottle on our guarantee to refund your money if it fails to benefit you. Geo. W. Gorman, Druggist, Harrisburg, Penna. Vinol is sold in Steelton by T. Prowell.

## Catarrh! WHETHER IN Head, Throat, Stomach, Kidneys or Bladder, Use S. S. S.

It is definitely known that catarrh can be cured by the simple process of inoculating the blood with antitoxic remedies that stop inflammatory conditions throughout the mucous linings of all the organs of the body. This is done with the famous Swift's Sure Specific, or as it is widely known, S. S. S. It is taken into the blood just as naturally as the most nourishing food. It spreads its influence over every organ in the body, through all the veins and arteries, and enables all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectively cleanse the system and thus put an end to all catarrhal pollution. S. S. S. cleans out the stomach of mucous accumulations, enables only pure, blood-making materials to enter the intestines, combines with these food elements to enter the circulation, and in less than an hour is at work throughout the body in the process of purification.

You will soon realize its wonderful influence by the absence of headache, a decided clearing of the vision, a steadily improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infects the entire system. You will find S. S. S. on sale at all drug stores.

For special advice on any blood disease write to the Swift Specific Co., 306 Swift Bldg., Atlanta, Ga. Do not delay to get a bottle of S. S. S. today.

Always insist that you want S. S. S. and nothing else. Beware of all attempts to sell you a substitute.

## MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism anywhere, get relief from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is in fact a natural and cannot injure; makes a delightful uric acid lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Advertisement.

## DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Grandma's recipe of Sage Tea and Sulphur darkens so naturally that nobody can tell

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you have darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, thick and glossy.—Advertisement.

## PRINCESS BO-PEEP

### CAST IS TAGGED

Benefit Opera to Be Presented January 30-31 at Majestic Theater

All members of the cast of "The Lost Princess Bo-Peep" are wearing tags announcing the fact that they are checked for an appearance at the Majestic theater, January 30-31, for the benefit opera to be presented under the auspices of "The Sunshine Society."

The Queen of Hearts (Miss Sarah Miller, who married old King Cole, John Stroup) in "The House that Jack Built," will win many more admirers, as she is a most charming mother to Bo-Peep (Mrs. George W. Rely).

Dancing plays a most prominent part in the production and merry groups come from all over the kingdom to welcome home the Princess.

The following young ladies form two most attractive groups: "Margold's," with Miss Jane Lee as soloist, an dthe Misses Marguerite Rauch, Helen Patterson, Martha Miller, Marjorie Martz, Helen Wallis, Katherine Peters, Helen Gardes, Evelyn Rhoads, and "Asters," Misses Fannie Hoy, Mary Craig, Anna Smith, Anna Boen, Dorothy Spicer, Anne Nissley, Esther Hutman with Miss Dorothy Black as special soloist.

Plans are being formed for the children of the charitable institutions of the city to witness the opera. William E. Seal, of Paxtang, has invited 75 children of the Sylvan Heights Orphanage to be his guests, while Mrs. A. Carson Stamm has arranged to have all the children of the Nursery Home present.

## George Ely Dies Suddenly in Lykens Factory Building

Special to The Telegraph. Lykens, Pa., Jan. 19.—George Ely died suddenly yesterday afternoon. Mr. Ely attended the United Brothers Sunday school and went home in apparent good health. After being around home for some time he went to the Keen & Kniffly factory, where he usually keeps fire under the boilers from Saturday until Monday morning. Not returning for some time, some of his family went in search and found him lying prostrate and dead. Heart failure was given as the cause. Mr. Ely was a veteran of the Civil War and about 65 years old. He is survived by his wife, two daughters, Ella, at home, and Annie, married to John Renshaw; two sons, Francis, employed at the mines, and Edward, a bookkeeper in the coal company office here.

## SEE IF THE CHILD'S TONGUE IS COATED

If cross, feverish, constipated, give "California Syrup of Figs"

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad, has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated, wasted, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a little bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.

Patients at White Pine Sanatorium Sleep Well and improve in Health When Everything Freezes

Special to The Telegraph. Waynesboro, Pa., Jan. 17.—When people throughout the southern section of Pennsylvania had their chairs drawn near red hot stoves and radiators sending forth clouds of heat, during the low temperature of the past few days probably their minds did not revert for one instant to the White Pine Sanatorium at Mont Alto, where hundreds of unfortunates were sleeping out in open sheds.

Up at the Hillside City of Hope the thermometer stood four degrees below zero, and all the patients, except those in the infirmary, slept in the sheds with their beds within several feet of the blizzards.

It is practically sleeping out-of-doors. One patient, who is endeavoring to regain his impaired health, said that when he awoke yesterday morning he was not much surprised to find that

### COLONIAL

Vaudeville and Pictures—Every afternoon and evening.

"A GIRL OF THE UNDERWORLD" The story of "The Girl of the Underworld," which comes to the Majestic theater, to-day, matinee and night, is not what makes it so interesting, but is a sweet and wholesome tale of the life of a youthful country girl that like so many times of her life in the country and times making her living in a large city, where she meets with a gang of crooks, and comes to fall in love with the leader of the gang. It is through this love that she is led to see the evil of his present life, turning from same and going back to the girl's home in the country. The author has woven a thrilling drama that rings true to life and shows this side of life in a great city as it really exists.—Advertisement.

"BILLY, THE KID" Lovers of good melodramatic plays are to have a treat in front of them in the return of the popular and successful play, "Billy, the Kid," at the Majestic Theater, to-morrow, matinee and night. There are four strong situations and each is as full of strong situations and novelty as a nut is full of meat. "Billy, the Kid," tells a most interesting story of the life and customs of that portion of New Mexico, which is near the border and besides some excellent comedy there are many exceedingly strong and dramatic situations. The stellar role is played by Johnnie Ervin, and the production of the play is an elaborate one and the supporting company a most excellent one.—Advertisement.

GOOD AS EVER Al. G. Field has never presented a mediocre entertainment. Years ago, when he blazed the path for modern minstrelsy, he emphatically declared that he would never attach his name to an entertainment that he would have to apologize for. His promise has been faithfully kept from the initial entrance of the famous company bearing his name. He recognizes no opposition nor competitors, for the Al. G. Field Greater Minstrels are in a class of their own making, superior to any similar organization striving to elevate modern and progressive minstrelsy.—Advertisement.

GOOD SHOW THIS WEEK This week ought to prove a continuous round of merriment at the Orpheum if all the attractions booked to appear appeal to local tastes. In all other cities, comedy in all its shades and phases seems to be embraced in the offering that they have termed "a bill of a thousand giggles without any wigwags." John and Emma Ray, of Irish character comedy fame, with an excellent supporting cast, will offer a scenic comedy called "Along the Rio Grande," as the bright particular attraction. These stars will probably be recalled by many local theatergoers as the stars of the big production "The Hot Colonel," which was treated to the first local appearance of Julius Tannen, most celebrated of vaudevillians, who the management declares receives the highest salary ever paid a "comedian" at the Orpheum.

AT THE COLONIAL With such attractions as a troupe of educated monkeys, a fine comedy playlet and a clever couple in songs and dances, the Colonial will probably start the new week in the right way this afternoon. The comedy playlet is entitled "The New Ending," with Isabelle Miller and company; Jack and Pauline Lexey appear in songs and dances, and Althea Ames, in human feats and good comedy stunts, are sure to prove a veritable treat for children of all ages.—Advertisement.

KINEMACOLOR pictures of the past have always been shown on Saturday. They have pleased so well that it has been decided to show them again on Monday, and to-day will be shown "The Crowning Glory," in two acts. "The Devil Within," a three-act feature, "The Narcotic Spectre," in two acts, "The Baby" is a Majestic picture that is very interesting.—Advertisement.

## STOMACH UPSET?

Get at the Real Cause—Take Dr. Edward's Olive Tablets

That's what thousands of "stomach sufferers" are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edward's Olive Tablets arouse the liver in a soothing, healing way, when the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for calomel.

Dr. Edward's Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. You can get what you like. At 10c and 25c per box. The Olive Tablet Company, Columbus, Ohio. At all druggists.—Advertisement.

## FIREMEN'S PLANS

## Plans Made For Summer Colony at Blue Mountain

Waynesboro, Pa., Jan. 19.—Recently the Telegraph told of the plans for the re-erection of the Blue Mountain House (destroyed by fire August 5, 1913), and the establishment of a summer bungalow community in the foreground of it.

Charles F. Stewart, general passenger agent of the Western Maryland Railway Company, has returned from an extended trip to various Western Maryland points. He says that even though the Blue Ridge Mountain resort people are planning for the summer vacationists, the Blue Mountain House owners are planning extensive improvements to their property and these plans will be finally shaped up in the near future. The improvements will include the erection of scores of bungalows, which will be occupied by wealthy families of Harrisburg, Baltimore, Richmond, Pittsburgh, Philadelphia, Washington and Norfolk, and who will take their meals at the new Blue Mountain House.

## Ridicules Idea That Vice Is Necessary

Nearly a thousand men heard the Rev. William P. Mingles, the evangelist, ridicule the idea that vice is a necessary evil, at men's mass meeting held in the Acme Theater, Third and Delaware streets, yesterday afternoon.

He proposed to uplift the men who frequent houses of ill fame as a means to discourage the traffic. "Uplift the men and the scarlet women will not have any reason to exist," he said. "The West End Band marched down Broad to Front, to Macay to Third, to the Arena, and there gave a sacred concert."
