

WHY GRIP IS DANGEROUS.

It is an Epidemic Catarrhal Fever Caused by a Bacillus that Generally Leaves the Patient Weak After the Acute Stage Has Passed.

Grip Patients Grateful for Peruna, the Expectant Tonic.

Do not make the error of regarding grip as an exaggerated cold. There is a big difference between the two. Grip is an epidemic disease that poisons the vital organs.

Peruna is a Tonic Laxative. It requires a good tonic laxative to keep the body of the patient as strong as possible to counteract the effect of the poisons created by the grip bacillus.

There is no specific for the grip. Peruna has been used with good success in former grip epidemics.

Do not fail to read the experience of former grip patients with Peruna.

Mrs. Gentry Gates, 8219 First Ave., East Lake, Ala., writes: "I had a bad case of grip. I tried Peruna and it cured me. I can safely say it is a fine medicine."

Mrs. Charles E. Wells, Sr., 230 South St., Delaware, Ohio, writes: "After a severe attack of la grippe I took Peruna and found it a good tonic."

\$1,623,750 Toward This State's Roads

Washington, Jan. 20.—Under the terms of Representative Shackelford's road bill, now before Congress, the Federal Government will contribute to the States one-half of the cost of rural post roads.

Mr. Shackelford presented in the House this afternoon the report of the committee, in which the States are apportioned \$24,987,500.

New York receives the highest amount, \$1,746,250. Illinois' apportionment is \$1,511,250.

The second plan of Federal aid provides that the States shall be paid a fixed amount per mile for respective road construction.

Upon the first-class road track, composed of macadam, \$60; second class, gravel road, \$30, and \$15 for crowning the natural road.

Lebanon Judge Withholds License to Roadhouse

Special to The Telegraph. Lebanon, Jan. 20.—Judge C. V. Henry, who last week refused a license to the Washington House at Annville, through another bomb into the ranks of the hotelmen to-day when he handed down a decision withholding the license of the Holling Hotel, a roadhouse near Annville, until the proprietor, E. K. Risser, has been arraigned in the original courts on a charge of selling liquor to minors.

At the hearing in the revenue court last week it was testified that a minor had secured liquor at the place.

30 BICYCLE RIDERS BEFORE MAYOR FOR TRAFFIC VIOLATIONS

Civic Club's Request That Law Be Obeyed Leads to Wholesale Arrests

THEY ALL PLEAD IGNORANCE

Future Offenses Will Mean Fine and Imprisonment, Is Royal's Warning

As a result of action taken yesterday by the Harrisburg Civic Club in appointing a committee to see Colonel Joseph B. Hutchinson and urge the enforcement of the ordinance requiring bells on all bicycles, thirty boys from all parts of the city were before Mayor Royal this afternoon charged with violating the traffic laws.

The committee, Mrs. A. J. Herr and Mrs. Gilbert McCauley, called on the Chief of Police late yesterday afternoon and subsequently all officers were notified to send to the police station every person found riding a bicycle without a bell or a horn.

Several of the boys responded to the patrolmen's request, while others had to be brought to the police station. The line-up this afternoon included the following:

Walter Skoner, John C. Steele, W. L. Morgan, George Aproz, Francis E. Miller, Paul Holtzman, George W. Crone, Harry Black, Lorenz Mumma, Roy Brubaker, Crist Byers, George Landis, Charles Geist, W. S. Miller, John Crookston, M. L. Zimmerman, Gordon Stroup, William Prence, Arthur Thompson, H. L. Shannon, Wagner Hoffman, Charles Stevens, S. R. Fothergill, Charles W. Gallagher, David Zimmerman, John W. Shafter, Herman Orsteln, John Johnson, Grant Renn and Earl Walz.

These violators included messenger boys, high school students and delivery boys. Each had given the excuse that he did not know there was a law requiring signals on bicycles.

In addition to bringing about the enforcement of the bicycle signal ordinance yesterday the Civic Club took action which may result in a curfew law for the city.

The municipal department, which has been working out plans for a curfew law, had reported a committee was appointed to draw up an ordinance which, after approval by the club, will be submitted to the council.

On this committee are Mrs. A. L. Martin, Mrs. George A. Gargas, Mrs. Robert Hatfield Trons and Miss Fannie M. Eby.

The municipal department made a study of curfew laws in other cities and found that such a law was being successfully enforced, but it was the opinion among the leaders of the committee that the ordinance for this city should not be so drastic as those in other cities.

Dr. Royer Addresses Club. Dr. B. Franklin Royer, chief medical inspector for the State Department of Health, addressed the ladies on "School Hygiene." Among other things he said that there is a reaction now against the teaching of sex hygiene in the schools.

Subjects of the papers to be read by the members of the educational department before the public school children were reported. These subjects are: January, "Historic Places Near Harrisburg;" February, "The Capitol Paintings;" March, "Municipal Housecleaning;" April, "Birds, Our Protectors;" May, "The House Fly and Its Relation to Health."

It was reported that arrangements had been made to have Mrs. Thomas M. Jones give an illustrated free lecture on the "Plant Life of Pennsylvania" at the Technical High school, February 6. School children and their parents are invited.

GIGGLES TAKE THE PLACE OF WIGGLES

Orpheum Show Is One Big Laugh; Julius Tannen Is a Clever Chatterer

In accordance with its advertisement several days ago the Orpheum management this week out on the wiggles and brought a lot of giggles to the popular Locust street vaudeville house. From beginning to end this week's bill is one big good-natured laugh. Nobody tries to be extraordinarily clever, and somehow or other most of the acts are far more clever than ordinarily.

The headline act, "Along the Rio Grande," is a roar made up of steeplechasing buoyancy on the part of Johnny Ray and a lot of good singing on the part of his company. One of the best acts this week is Julius Tannen, "the chatterbox" who is clean-cut, cultured and full of original wit and humor.

Other acts worthy of mention are those given by Leach and Wallen, two slack-wire artists, and Claude Golden, who has a flat full of new card tricks. MAX ROBERTSON.

J. F. FIELDER TAKES OATH AS GOVERNOR

Delivers His Inaugural Address Before Both Houses of Legislature of Jersey

Trenton, N. J., Jan. 20.—James F. Fielder was inaugurated Governor of New Jersey to-day. The oath of office was administered by Chief Justice William S. Gummere, of the Supreme Court, and a salute of seventeen guns was then fired on the State House grounds.

Leon R. Taylor, the retiring acting Governor, made a short address after the Governor had taken the oath and delivered the great seal of the State to the new executive. Governor Fielder was then introduced to the members of both houses of the legislature and this was followed by his inaugural address.

After the exercises Governor Fielder reviewed a civilian parade, made up principally of Democrats from Hudson and Mercer counties with smaller delegations from other counties. Governor Fielder sent to the Senate to-day the following nominations: Attorney general, John W. Wescott, Camden, to succeed Edmund Wilson; State road commissioner, Edwin A. Stevens, Hudson county, reappointed; Justice of the Supreme Court, Thomas W. Trenchard, Mercer, reappointed. President Wilson sent his congratulations to Governor Fielder.

D. AND H. EMPLOYEES WIN THEIR DEMANDS

Strike at an End and Men Are Working All Along Line as Usual

By Associated Press. Albany, N. Y., Jan. 20.—Operations on the Delaware and Hudson Railway had reached practically normal proportions to-day and the system presented a striking contrast to its paralyzed condition during the sixteen-hour strike of yesterday. The strike came to an end last night when officials of the company, at the suggestion of C. W. W. Hanger, of the Federal Board of Mediation and Conciliation, acceded to the demands of the employees. By the terms of agreement two employees who had been discharged for alleged violation of the company rules were restored to their former positions.

Other than large accumulations of freight and mail about the depots and terminal points, there was nothing to-day to indicate that a strike had been in progress. During the short time that the members of the union in connection with the operating end of the road were on strike, shophmen and office employees continued at work. So when the controversy was settled everything was in readiness for the strikers to take up their work where they left off. It was believed that all the delayed freight and mail would be moved within twenty-four hours. None of the strikers will suffer as a result of the walkout. The union employees returned to their work on exactly the same footing that they left.
