CENTRAL HIGH GIRLS HAD EASY VICTORY

Downingtown Tossers Put Up a Game Fight, But Were Snowed Under; Brilliant Plays

In a one-sided basketball game the Central High girls last night at Chestnut Street Auditorium outclassed the Downingtown High School girls, winning by a score of 37 to 6. The Central girls were sensational in their work at frequent intervals, their goal shooting being especially notable. It was basketball according to "Hayles" that was played from start to finish. The Central girls last night started in with a rush and in the first half the floor work of the Harrisburg five was fast. The star for the visitors was Miss Roberts. Miss Charles was another Downingtown star. For the Central tossers every girl on the team figured. The guarding by Miss Shaffer brought results and her work brought much applause. "Red" Owens Signs With Greensboro, N. C.; Will Be Manager

After turning down two offers to sign a Federal League contract, Tom ("Red") Owens, infielder, whose home is in this city, yesterday signed a contract to manage the Greensboro, N. C., team of the Carolina Association. He will ask for his release from Trenton, with whom Owens played during the latter part of last season in the Tri-State. Owens has long been a familiar figure in the Tri-State, but for two seasons he has played in the South and has made a clean-up in hitting and fielding, his average up to the time he was released last season being .400 for hitting and .993 for fielding. Due to the reduction in salaries, Owens was turned back to the Tri-State and played with Bert Conner. Owens is employed by the Pennsylvania Railroad Company here and each summer gets a three months' leave of absence. Last season it was necessary to extend his time in order to allow him to play the season out with Trenton. After the Tri-State season closed Owens played infield for the Roundhouse No. 1 team, champions of the Pennsylvania Railroad League. He announced to-day that he will be playing manager with Greensboro and that when he signed with Trenton it was with the understanding that in the event he was signed as manager for Greensboro this season his release would be forthcoming.

LOST TO LEWISTOWN, BUT SHOWED PLUCK

Newport, Pa., Jan. 24.—The High School basketball team went to Lewistown with the intention of playing the Juniors of the High School of that town. When they took the floor they discovered that they were up against it, for instead of a team of juniors it was the best the town afforded. Two married men being on the team, Newport was game, however, and went down to defeat by the score of 74 to 10.

New Leader anxious to Bring the Game Up to a Higher Standard Will Give a Series of Talks

"Helping a Baseball Team" will be the title of one of a series of talks which George M. Graham will give in every Tri-State city prior to the opening of the season. It plans to be submitted to the Tri-State representatives at the meeting in Philadelphia February 18 are endorsed. In the opinion of President Graham, "ginger" is needed in all towns and he hopes to have a supply sufficient to start all fans on the jump early in the season and to keep them jumping for the benefit of the game until the last man is out on Labor Day. President Graham proposes to do some scouting himself and when he finds a promising youngster he intends to let the Tri-State managers know all about him. "I believe the opportunity is here to make the Tri-State League the most talked of six-club organization in the country," said President Graham in a letter to a Harrisburg friend, "and I am going to do my best to get the fans organized into one big army of boosters."

Harrisburg Five Ready For Shamokin

Harrisburg will line up against Shamokin, one of the strongest fives in Central Pennsylvania, at the Armory to-night. This game is of special importance because of the fact that Shamokin is made up of former Penn State and Bucknell stars and has played two games with Harrisburg, each team having scored a victory. The game to-night will be fast, as the work of the locals during the past two weeks has been both speedy and sensational, but Shamokin will also have something to attract the fans, as they have two star shooters in their line-up, and a great battle can be expected. The game will be followed with dancing. The line-up will be: Harrisburg, Shamokin, McCord, f., Barr, f., Bumbaugh, f., Reed, f., Geisel, c., Marshall, c., Gaffney, g., Kaseman, g., Atticks, g., Rhoades, g.

FITZSIMMONS BARRED BY COMMISSIONERS

Special to The Telegraph. On Tuesday when the matter comes up before the commission the members will vote to prohibit the one-time champion from boxing in the State. This action against Fitzsimmons, the members of the commission say, will be taken "for humanity's sake." They say that Fitzsimmons is too old to enter a boxing contest and to allow such a bout would be in the light of licensing a farce.

BLEASE TELLS WHY HE PARDONED 982

Gives Series of Reasons in Booklet Sent to Members of the Legislature

Special to The Telegraph. Columbia, S. C., Jan. 24.—Why Governor Cole L. Blease granted pardons, paroles and commutations of sentence to hundreds of convicts last year is set forth in a message transmitted to the Legislature. It is a printed book of 383 pages. Since assuming office three years ago Governor Blease has extended clemency in 982 cases. The striking feature of the report is the bold manner in which he expresses his opinion of negroes. He speaks of them as "on the order of lower animals."

AGRICULTURE AND THE GOVERNMENT

The State Board of Agriculture, which has been holding meetings every year since 1876, will, during the coming week, hear for the first time a series of addresses by officials of the State government on what their departments mean to the agricultural interests of the commonwealth. This arrangement, which is pronounced departure from the former program which dealt with agricultural matters brought up only by members of the board, was made for the purpose of stimulating interest in what the State has undertaken for rural districts. The question of highways, purification of water supply, equalization of educational advantages, taxation, safety laws, fire prevention and even library work will be presented with their relation to farmers and farming life. Governor Tener will call the meeting to order on Wednesday morning and there will be seven sessions, closing on Friday when reports on proposed legislation will be submitted. In addition to the addresses there will be reports by specialists of the Board of Agriculture and its various branches throughout the State and the methods of the new bureau of statistics of the department of agriculture will be explained. This bureau is engaged in making a census of the farms of the State and making a compilation of reports on the crops. It is probable that some attention will be given to the county law providing payment for scalps of noxious animals and birds and the legislature be asked to make an appropriation to pay counties which have made payments to hunters, but which cannot be reimbursed because the Legislature did not make a sufficient appropriation.
