SUIT IN COURT TO RECOVER \$3,600

Pocketbook Containing Notes, Certificates and Money Given to Nephew For Kindness

Special to The Telegraph
New Bloomfield, Pa., Jan. 27.—In the case of G. P. Foyer, administrator, etc., of B. Frank Markel, late of Juniata county, deceased, vs. George B. Markel, summons in replevin in court last week, suit was brought to recover possession of a pocketbook containing notes and certificates of deposits and currency to the amount of \$3,607.82, alleged by the defendant to have been given to him by decedent a few days previous to his death. The defendant had cared for decedent and it is contended that the gift was intended to show his appreciation for the kind treatment during his life time and his last illness, but the collateral heirs could not bear to see a favored nephew fare so well, hence this suit. The case started on Thursday and created considerable interest throughout the trial. It was given to the jury at noon on Saturday and they brought in a verdict for the defendant, George B. Markel.

How to Prevent Acid Stomachs and Food Fermentation

By a Stomach Specialist
As a specialist who has spent many years in the study and treatment of stomach troubles, I have been forced to the conclusion that most people who complain of stomach trouble possess stomachs that are absolutely healthy and normal. The real trouble, which causes all the pain and difficulty, is acid in the stomach, usually due to, or aggravated by, food fermentation. Acid irritates the delicate lining of the stomach and food fermentation causes wind which distends the stomach abnormally, causing a full bloated feeling. Thus both acid and fermentation interfere with and retard the process of digestion. The stomach is usually healthy and normal, but irritated almost past endurance by the foreign elements—acid and wind. In all such cases—and they comprise over 90 per cent. of all stomach difficulties—the first and most necessary is to neutralize the acid and stop the fermentation by taking in a little warm or cold water immediately after eating, a teaspoonful of bisulphate of magnesia, which is doubtless the best and only really effective antacid and food corrective known. The acid will be neutralized and the fermentation stopped almost instantly, and your stomach will at once proceed to digest the food in a healthy, normal manner. Be sure to ask your druggist for the bisulphate of magnesia, as I have found other forms utterly lacking in its peculiarly valuable properties.—F. J. G.—Advertisement.

Deer in Franklin County Damaging Fruit Orchards

Animals Eat Buds and Bark From Trees and Owners Have Appealed to Game Commissioner For Advice

Special to The Telegraph
Waynesboro, Pa., Jan. 27.—J. H. Ledy's large orchards near Mont Alto are proving an attraction for the deer in the nearby mountain and are much damaged as a result of the visits of the animals. The deer come in rather large numbers among the peach and apple trees and eat the buds and the

bark off the limbs as high as they can reach. The destruction has been extensive and very expensive to Mr. Ledy. The deer have been driven from the orchards several times, but they come back. Mr. Ledy has written to Game Commissioner Kallbuss asking him what he can do to stop the destruction of his orchards.

Columbia People Want Better R. R. Crossings

C. F. Markel, chairman of the committee of municipal legislation of the borough of Columbia, has called the Public Service Commission's attention to the conditions that exist at the intersections of Union street and Ferry street with the Pennsylvania and Philadelphia & Reading railroads. He says these crossings are obstructed by buildings and the streets are on a steep grade.

Enthusiastic Workers March in Body to Church Service

Special to The Telegraph
Mifflinburg, Pa., Jan. 27.—Union revival services are being held in the United Evangelical Church and Methodist Episcopal Church. Arrangements are so made that the services will be held part of the time in each edifice. The Rev. Samuel Cox, pastor of the Methodist Church, will be the preacher, while the Rev. H. R. Wilkes, pastor of the Evangelical Church, will have charge of the singing. The latter very ably handled this part of the great revival meetings held in Lewisburg last fall. The services were held in a special car. On this occasion they were headed by the Rev. W. H. Brown, pastor of the Lewisburg Evangelical Church, marching in a body to the church here. At the conclusion of the service, a large number of the line and marched on to the station, singing "Onward Christian Soldiers," escorted the Lewisburg brethren.

AUTO STRIKES LOCOMOTIVE

Special to The Telegraph
Mifflinburg, Pa., Jan. 27.—Dr. Lionel W. Hall and a party of three, in the former's auto, crashed into a Pennsylvania Railroad engine standing on the crossing at Montandon, on the night of Jan. 26. The engine was in very dark at this point and the occupants failed to see the engine until too late. As the train, the fenders, lights and windshield were broken and the front of the car badly damaged, but fortunately no one was seriously injured.

Men Welcome Mother's Friend

A Duty that Every Man Ows to Those who Perpetuate the Race.

It is just as important that men should know of progressive methods in advance of motherhood. The suffering, pain and distress incident to child-bearing can be easily avoided by having at hand a bottle of Mother's Friend.

This is a wonderful, penetrating, external application that relieves all tension upon the muscles and enables them to expand without the painful strain upon the ligaments. Thus, the tendency to nausea or morning sickness is contracted, and a bright, sunny, happy disposition is preserved that reflects wonderfully upon the character and temperament of the little one soon to open its eyes in bewilderment at the joy of its arrival. You can obtain a bottle of Mother's Friend at any drug store for \$1.00, and it will be the best dollar's worth you ever obtained. It preserves the mother's health, enables her to make a quick and complete recovery, and thus with renewed vigor she will eagerly devote herself to the care and attention which mean so much to the welfare of the child. Write to the Bradfield Regulator Co., 129 Lamar Bldg., Atlanta, Ga., for their valuable and instructive book of guidance for expectant mothers. Get a bottle of Mother's Friend to-day.

Kidney and Bladder Trouble Causes Great Distress

It gives me great pleasure to recommend Dr. Kilmer's Swamp-Root to any one suffering from bladder trouble.

For four years I was troubled by hemorrhages from the bladder and was not able to get any doctor who could help me. I was in such shape that sleep at night was impossible on account of distressing symptoms. While bending over I would be stricken with such a pain that it was impossible for me to straighten up. Mr. Henry, one of our leading druggists, advised Dr. Kilmer's Swamp-Root; although I never had any faith in patent medicines, as a last resort I purchased a dollar bottle of Swamp-Root. I noticed a decided change and after using two bottles I was completely cured. It seemed remarkable that I should be cured so quickly after being ill so long. But since this took place nearly two years ago, I have never been troubled and would highly advise any one suffering from the same trouble to at least give Swamp-Root a trial and I think the results will be the same as mine.

Yours very truly,
THOMAS A. BENNETT,
Greensburg, Indiana.

Personally appeared before me this 14th day of February, 1913, Mr. T. A. Bennett, who subscribed the above statement and made oath that the same is true in substance and in fact.

L. A. BARNES,
Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information telling about the kidneys and bladder. When writing, be sure and mention the Harrisburg Telegraph. Burgesses of Towns in Central Pennsylvania THOS. O. GUTELIUS MIFFLINBURG

Sear Photo THOMAS O. GUTELIUS

Mifflinburg's newly-elected chief burgess, Thomas O. Gutelius, is one of Mifflinburg's influential and leading citizens. He is the son of the late John Gutelius & Sons' Coach Works, one of the main industries of this place and one of the largest coach works in this section of the State. In the factory Burgess Gutelius has continuously for forty-five years had charge of the woodworking and shipping department. Previous to his recent election as burgess, and up to the year 1895, he served for twenty-five years as active member of the town council, and also a three years' term as burgess, previous to this election. He has taken part in all municipal borough ownerships—the electric light and water plants. He is a member of the local Camp, Modern Woodmen of America, and Mifflinburg Castle, Knights of the Golden Eagle. In the latter order he has been a member for twenty-five years, passing through all the chairs of the order as well as holding at times all offices of the order. At present he is master of records as well as district grand chief of Union county. He has been a representative to grand castle meetings in this and other States ten different times. For forty-five years he has been an active member of the Mifflinburg Methodist Episcopal Church and has served in all the official boards and at present time is president of the board of trustees and a member of the board of stewards; also superintendent of the Sunday school and teacher of a large class of young ladies.

Mr. Gutelius is, and has been since organization of the Mifflinburg Fire Department, first assistant chief and vice-president of the organization. Being a great sportsman, he holds the presidency of the Mifflinburg Rod and Gun Club. Has been very successful at deer hunting and knows the hunting and fishing grounds in the nearby streams and mountains like a book; has credited to his "belt" twelve "notches," representing his luck at his favorite sport, that of deer hunting, killing twelve fine deer in his different yearly trips in the mountains. Mifflinburg's head of the municipal government is a man of worth and integrity, one with years of experience and well qualified.

Thin Blood Causes Backache

Every muscle in the body needs a supply of rich, red blood in proportion to the work it does.

The muscles of the back are under heavy strain and have but little rest. When the blood is thin they lack nourishment and rebel. The result is a sensation of pain in those muscles.

The best medical authorities agree that backache seldom or never means kidney trouble. Real organic kidney disease may have progressed to a critical point without developing a pain in the back. Doctors detect its presence by the excretions of the kidneys themselves.

Pains in the back should always lead the sufferer to look to the condition of the blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the grumbling of the ill-nourished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give way to unreasonable alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest or tell you the worst.

All druggists sell Dr. Williams' Pink Pills. A free book, "Building Up the Blood," will be sent on request by the Dr. Williams Medicine Co., Schenectady, N. Y.—Advertisement.
