

Mutt Never Had an Ounce of Humor**GERMAN TEAM COMING***By Associated Press*

Philadelphia, Jan. 30.—A team from either Heidelberg, Leipzig or Stuttgart Universities, in Germany, will participate in the relay games here in 1915, according to a prediction made by Alvin Kraenzlein in a letter received today at the University of Pennsylvania.

Kraenzlein, who was a star hurdler, sprinter and broad jumper when at Pennsylvania, is now coaching the German athletes in preparation for the next Olympic games.

GOTCH TURNS DOWN OFFER*By Associated Press*

New York, Jan. 30.—Wrestling promoters here have been trying for some time to bring Frank Gotch the heavy-weight champion of the United States world, to New York for three bouts with foreign mat stars. He was offered \$25,000. Gotch refused the offer and says he will never wrestle again.

**GARNETS WILL PLAY; BOOKED YESTERDAY****Local Sportsmen in New York Shoot; a February Event***Special to The Telegraph*

New York, Jan. 30.—The list of entries to date by the officials of the championship trap shooting tournament to be held in connection with the big sportsmen's show in Madison Square Garden, New York, February 21 to 27, includes the names of several Harrisburgers as well as those of the greatest professional and amateur championships and the ladies' indoor championships, will bring out the finest fields of experts ever seen in competition at the traps.

Among the best known professionals who will face the traps will be: W. B. Darton, last year's indoor champion, who will shoot for the Marvin Fire Arms Company; Neaf Apgar, of the Peters Cartridge Company; Hank Stevens, of the Remington U. C. Company; H. S. Wells, of the D. L. of the Winchester Repeating Arms Company. Many other prominent professionals are certain to compete, but their entries have not yet been officially received.

The men's amateur field will include scores of the best wing and field shots in the East. Among those certain to be seen on the firing line are D. F. McMahon, of the N. Y. A. C.; J. H. Hendrickson, of Jamaica, Long Island; Charles Van Horne, of Bridgeport, Conn.; C. E. Nichols, of Philadelphia; Dr. C. H. Martin, of White Plains, N. Y.; M. R. Guggenheim, the millionaire champion of Westchester county, N. Y.; Dr. D. L. Culver, of the N. Y. A. C.; Lockwood B. Ward, and H. B. Shope, Harrisburg. This is but a handful of the best known amateurs who will compete, the full list including about 150 men, all crack shots.

Highest Priced Five of Tossers in State Take the Place of Nanticoke

At a late hour yesterday afternoon the Nanticoke team canceled on the Harrisburg five for Saturday. Two hours later Manager E. G. Taggart had the Garnets, of Philadelphia, booked, which means an attraction extraordinary for local patrons. The Garnets, because of the make-up of the team, are one of the most expensive basketball aggregations given.

Ever since the Garnets defeated the local five at the Armory at the beginning of the season frequent requests have been made to Manager Taggart to have them return for a second game.

The Garnets have just finished a very successful trip through the coal regions, defeating Wilkes-Barre, Pittston, Freeland and Hazleton. It will take exceptional playing on the part of the Harrisburg five to hold this bunch to a close score and to win they will have to outdo any past showing. However, since they were beaten by the Garnets the local tossers have developed wonderfully and one of the best games of the season is looked for. The line-up:

Harrisburg. Garnets.
McCord, f. Dienes, f.
Bumbach, f. Haire, f.
Geisel, c. Hoover, c.
Gaffney, g. Nessler, g.
Atticks, g. Ehlers, g.

Football Changes Are Sure to Be Minor in Character**Forward Pass and Coaches Will Be Discussed by College Men at Meeting Next Week***Special to The Telegraph*

New York, Jan. 30.—Every indication points to some changes in football rules when the committee meets next week.

It is believed that the game as it was played last year is well on the road toward standardization, and, this being the case, the present rules will undergo only minor attention. Walter Cramp's suggestion that the field judge be restored to the game has been well liked and in all probability such an official will assist referee and umpire in the games of 1914.

The forward pass will come up for discussion, but there is no reason to believe it will be declared illegal; some minor changes may be made in the rules governing the play, but even this is doubtful.

A resolution calling for the legalizing of the on-side kick as it was operated in 1906-7 will be introduced, but it is extremely improbable that it will receive the sanction of the committee.

The old idea of coaches

points of vantage on the field will be considered, and, as it now seems, legislation against it will be vigorously pushed.

An idea of widening the gridiron has been suggested and may be considered at the meeting. While, as said, only minor changes are looked for, the meeting promises to be most interesting in its results to followers of the game.

Joe Tinker's Team Ready For Practice

Chicago, Jan. 30.—The signing of Fred Beck, formerly with International League teams and last year with the Buffalo Internationals, yesterday rounded out in Manager Joe Tinker's opinion, a "big league team" for the Chicago Federals. Beck probably will play first base, with Kading, last year with the local Federals, his understudy.

Tinker's catchers so far as given out, are Owens Washington; Allen, a local player, and Mulvaney, Cincinnati. Kilmer still claims Hendrix, Pittsburgh; Brinkley and Community, Philadelphia; Packard, Cincinnati, and Lange, a local man, claimed by the Chicago Americans, will be the main reliance among his pitchers.

Tinker, Beck, Kading, Westerell, of St. Louis, and Zeiders, of New York Americans, compose the infield, and Wickland, who jumped from the Cincinnati club last night, and Zwilling, claimed by the Boston Nationals, with several recruits, the out outfit.

FITZSIMMONS FIGHTS: SHOED REAL FORM

Williamson, Pa., Jan. 30.—Bob Fitzsimmons, former heavyweight champion boxed of the world, who was born in Williamson, Pa., in 1882, became of the 51 years he carries on his shoulders, demonstrated last night that he was young enough to easily defeat "Knockout" Dan Sweeney in a six-round bout here. "Lankey" Bob had the better of every round.

Fitz took great care of his hands, otherwise he would have scored a knockout. Sweeney took the count several times in the latter half of the bout and took considerable punishment after the third round. Sweeney weighed 182 pounds, while Fitz only tipped the beam at 169.
