

COD LIVER OIL AND IRON

Two Most World-Famed Tonics Combined in Vinol.

Cod Liver oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness, and for chronic coughs, colds, bronchitis or pulmonary troubles we ask you to try Vinol with the understanding that your money will be returned if it does not help you.—George A. Gorgas, Druggist, Harrisburg, Pa. Vinol is sold in Steeple by T. Prowell, P. S. For pimples and blotches try our Saxo Salve. We guarantee it. Advertisement.

One Leg Is Crushed by Falling Tree and Other Fractured by Fall on Ice

Special to The Telegraph

Mifflinburg, Pa., Feb. 2.—While at work in the mountains a few miles from Mifflinburg, several months ago, William Stahlacker, a man with a wife and five small children, while cutting down a tree, was struck by one of the large limbs and pinned to the earth, badly crushing and breaking his left leg in several places and other worse injuries. He was taken to University Hospital, Philadelphia, where he was compelled to undergo a very critical and painful operation—that of taking, or rather, sawing, a large piece of bone from his good leg, placing it in the injured one where the bones were crushed. The operation was a success and he returned from the hospital several days ago. Arriving in Mifflinburg on the late evening train, he remained all night with his brother-in-law and sister, Mr. and Mrs. John W. Gaunt. The following day he was conveyed to his home, a few miles southwest of Mifflinburg. Yesterday, while assisting his wife at some light work at the home he slipped and fell on the ice and had his right leg broken between the knee and ankle. Mr. Stahlacker is a worthy man of good moral habits and has no means to maintain his family. Financial assistance will be needed for weeks to come.

DR. SMITH ATTACKS THE RELIGIOUS FAD

The Rev. Dr. Smith preached two sermons at Market Square Presbyterian Church yesterday which attacked the fads and theories of present-day religion. Dr. Smith was particularly severe upon that class of people who believe that instead of a redemption through washing in the blood of the Lamb, baptism is all that is necessary; that instead of a tendency toward evil man is constantly looking upward. He declared that what he regarded as a particular street or the kind of clothes a man wears are no indication of character; that God is ready and willing to forgive all who come to Him, and that no particular sensation is necessary as a prerequisite to conviction and conversion.
