STEELTRON MIDDLETOWN & HIGHSPIRE ROYALTON OBERLIN ENHAUT

MINISTER PLANS GO TO CHURCH DAY

March 1 is the Day When Mr. Everybody and Family Will Be in Their Pews

Plans for a "Go to Church Sunday," to be held Sunday, March 1, were made at a meeting of the Ministerial Association of Steelton, Highspire and Berlin held this morning at the regular meeting place, in the parish house, Pine street.

A united and persistent effort will be made by all the ministers of these three towns to have every resident of the towns attend at least one session on Sunday, March 1. Each minister will prepare a special sermon for the occasion and services will be held in every church both morning and evening.

At this morning's meeting a paper entitled "The Value of the Christian Festival" was read by the Rev. James F. Bullitt, of Harrisburg. Following the meeting of the association the women of Trinity Episcopal Church entertained the members of the association in the parish house. Besides the members of the association these guests were present: Bishop J. H. Darlington, of Harrisburg; the Rev. Father N. D. Vukichevich, pastor of the Serbian Orthodox Church; the Rev. Father Gregory, of the Bulgarian Orthodox Church; the Rev. James Baker, of Selinsgrove; the Rev. James F. Bullitt, of Harrisburg, and Dr. W. J. Middleton.

Pleasant Surprises For Pastor of St. John's

When the Rev. Dr. M. P. Hocker, pastor of St. John's Lutheran Church, rose to deliver his regular Sunday morning sermon, just as he has done every Sunday for the past thirty-one years, he was cut short by a number of surprises arranged by his parishioners in celebration of the thirty-first anniversary of his pastorate of St. John's Church.

He started to speak, but some how the congregation wasn't listening. In the back of the room there was a slight disturbance, and Mr. Hocker paused. Then Frank E. Wickersham, a member of the church, rose and with an impressive address, presented the minister with a large Easter lily from the stalk of which were suspended thirty-one bills. From the heart of the lily protruded another bill of the same denomination as an omen of luck for the year just beyond.

The local camp, Modern Woodmen of America, then presented Dr. Hocker with a cluster of thirty-one carnations. After this came thirty-one small girls, each bearing a pink carnation, as a present from the Christian Endeavor Society. The little girls walked to the front of the church and handed the flowers to the pastor. On Saturday evening Dr. Hocker was presented with a check and table by the Ladies' Aid Society.

Instead of his sermon, Dr. Hocker made a few remarks, telling the congregation of his appreciation of its help and outlining plans for the coming year. He hoped to see accomplished during his thirty-second year as pastor of St. John's Church the first Sunday of February, 1883.

DEPARTMENT HEADS CHANGE.—A number of changes were made in the heads of several departments at the Steel Works through an executive order issued Saturday. G. Watson Creighton succeeds J. B. Martin, superintendent of the Bessemer mill, has been retired and replaced by J. H. W. Abbott is made superintendent of the scrap department, a new position. The iron foundry will be in charge of R. A. Weaver. This department was formerly part of the engineer's department.

TO CELEBRATE JUBILEE.—Carthage Lodge 194, and Steelton Lodge, 411, Knights of Pythias, will join in celebrating the golden jubilee of the lodge on the evening of February 10, 1914.

Have You Had the Grip?—There are certain disorders, such as the grip, that especially debilitate and make the body an easy prey for more dangerous diseases. Ask those who have had the grip regarding the present condition of their health and most of them will answer: "Since I had the grip I have never been well." They still have profuse perspiration, the persistent weakness of the limbs, the disordered digestion, shortness of breath and palpitation of the heart caused by the thin-blooded condition in which the grip leaves its victims. They are victims after the fever and influenza have subsided. They are furthermore, at the mercy of relapses and of complications, often very serious. In an attack of the grip there is a rapid thinning of the blood and not until the blood is built up again is complete health restored.

Dr. Williams' Pink Pills quickly make the blood rich and drive out the lingering germs from the system and transform despondent grip victims into cheerful, healthy men and women. Try the pills for any form of debility caused by the grip.

All druggists sell Dr. Williams' Pink Pills. Get a box to-day and begin at once to regain your health. Write for free booklet, "Building Up the Blood," to the Dr. Williams' Medicine Co., Schenectady, N. Y.—Advertisement.
