Penn Has Ball Game; Played Nine Innings

Special to The Telegraph
Philadelphia, Feb. 4.—Pennsylvania's enlarged squad of baseball candidates got in their first real workout of the year yesterday afternoon at Franklin Field, when the varsity and scrubs fought through a regular nine-inning game to a tie, 2 to 2. It is only the second day the infield and outfield men have been out, so the pitchers had an advantage over the batters and the score was therefore low. Fielding was also rather ragged, six errors being committed in the nine innings.

The scrubs scored both of their tallies off Sayre in the sixth inning. Sweeney started with a clean single to right and McDonald and Harris followed by working the bumpy twirler for walks. O'Donnell followed with a safe one to right and two runs came in. The varsity scored once in the fourth. Eichelberger singled to right and went on to third when Corkran fumbled a throw to catch him napping. He came in on a passed ball. In the eighth the varsity tied the score. Dize walked. Mann put him on second with a sacrifice and he scored when Schimpf fooled Eichelberger's grounder.

WILLIE HOPPE WINNER

Special to The Telegraph
New York, Feb. 4.—Willie Hoppe did not waste any time last night in making sure of retaining his 18.2 balkline title in his match with George Sutton at the Hotel Astor. The young champion won the match by a score of 600 to 226, taking only 17 innings to copper rivet his championship. He had an average of 29.7-17, making high runs of 99, 79 and 65. Sutton had an average of 13.5-17 and high runs of 123, 27 and 17.

FIFTH PLACE POINT FOR TRACK STARS

Intercollegiate Association Will Make Radical Rule Changes

Amateur athletes in Harrisburg are a unit for the proposed amendment to track and field rules adding a fifth place for honors. Fre quently at local meets there have been class honors in the fourth prize awards.

With the purpose of increasing the desire for participation in competition and encouraging keener interest and enthusiasm for athletics among collegiate students, several other important amendments to the constitution and by-laws of the Intercollegiate Association of Amateur Athletes of America will be adopted at the annual meeting here Saturday, February 23. These amendments have been framed by the advisory committee, of which Gustavus T. Kirby, Columbia, is chairman, in accordance with suggestions made by the executive committee, composed of Walter Tufts, Jr., Harvard; Donald P. Beardsley, Cornell; Alexander McAndrew, Yale, and Thomas M. McMillan, Princeton.

The most important change is the one suggested to add a fifth place in each event in awarding the championship cup for the annual track and field meeting, scoring five for first, four for second, three for third, two for fourth and one for fifth places, a total of 15 points for each event, instead of 11 points—5, 3, 2 and 1, the method in vogue since 1898.

Next in importance will be the inauguration of an annual indoor athletic meeting on the evening of the first Saturday in March, in which the eligibility rules will be the same as in the annual championship meetings. Following are the events proposed:

Two relay races for teams of five men, in one of which each man is to run 150 yards and in the other 300 yards. Relays for teams of four men at 500, 1,000 and 2,000 yards each, and in addition a relay for teams of four men, the men in the first relay to run 200 yards; the men in the second to run 300 yards; the men in the third to run 500 yards; and the final relay men to run 1,000 yards. The field events, including high jump, pole-vault and 16-pound shot will be contested by teams of five men, points to be scored as in the cross-country run.

PROPOSED NEW BASKETBALL START IS POPULAR

How to Make Basketball a More Interesting Sport

Basketball, one of winter's great sports, may undergo a considerable change before next season starts and Harrisburg teams are already trying out some of the new plays suggested.

One change which, in the opinion of Professor Elmer Gress, supervisor of the Dayton, Ohio, playgrounds, will make the game more interesting is in effect in Dayton, and the Amateur Athletic Union has commented favorably upon it.

Professor Gress is Southern Ohio's leading basketball authority. He has never been satisfied with the method of putting the ball into play by having the two centers jump for it when the referee tosses it up between them.

Gress' objection is that a very tall player at center gives his team too much advantage over an opponent. He wants teams of five who can work together in every detail, which, he says, is at present impossible.

Franciscan Girls Lost Close Contest

At York last night the St. John Girls' Friendly Society basketball team celebrated the opening of its home season by defeating the Franciscan Girls' quintet, of Harrisburg; score, 11 to 10.

The contest was close from the start. Both teams started scoring with foul goals and were again tied at 3 when a field goal was caged by each side. The Friendly five then jumped into the lead with a field goal and maintained it until the end, although the visiting team gave them a hard fight throughout the second half. The Harrisburg girls scored five points in the second period to two by the Friendly players. The latter's four-point lead assumed in the first half turned the tide in their favor. Miss Zudrell, of the Harrisburg team, had a chance to tie the score from the foul line during the last few minutes of play, but missed the shot by a narrow margin. The line-up and summary:

Tate, f.	Devine, f.
Engle, f.	Burns, f.
Spangler, c.	Zudrell, c. c.
Hay, g.	Cashman, g.
Mergenthaler, g.	McCarthy, g.
Field goals, Tate 2, Engle, Spangler 2, Devine 2, Burns, Zudrell, 1. Foul goals, Spangler, Zudrell 2. Referee, Jacoby. Scorer, Mundorf. Time-keeper, Patterson. Time of halves, 20 minutes.	

Penn's New Schedule Starts With Gettysburg

Special to The Telegraph
Philadelphia, Feb. 4.—The board of directors of the University of Pennsylvania Athletic Association met yesterday afternoon and officially adopted the 1914 football schedule. The schedule was presented by Manager Austin and ratified by the directors. The schedule consists of nine games, with eight of them on Franklin Field, the only game away being at Ann Arbor with Michigan.

The schedule is changed quite a bit this year. State College is dropped and the Navy is taken on in their place, while Brown is dropped. The undergraduates feel sorry that the college is omitted, but the committee felt that they had to choose between Penn State and the Indians. Brown was dropped because no date could be arranged between the two colleges. Michigan will play at Ann Arbor at the request of Coach Yost. Following is the schedule:

- September 26—Gettysburg, Franklin Field.
- October 3—Franklin and Marshall, at Franklin Field.
- October 10—Lafayette, at Franklin Field.
- October 17—Navy, at Franklin Field.
- October 24—Indians, at Franklin Field.
- October 31—Swarthmore, at Franklin Field.
- November 7—Michigan, at Ann Arbor.
- November 14—Dartmouth, at Franklin Field.
- Thanksgiving—Cornell, at Franklin Field.

York Is Preparing For George Graham

George M. Graham, recently elected president of the Tri-State League, will make a trip within the next two weeks to look over conditions and become acquainted with the backers of the York Athletic Club.

It will be the first of a number of trips he expects to make to York during the next six months. If arrangements can be made, the York directors will endeavor to get Mr. Graham to make one of the short talks he intends to give in the cities over the circuit.

Nothing of importance is announced by York. The new company back of the York Athletic Club will doubtless be formed during the coming week. Acting President J. J. Gerry has received several cards from players on the York club's reserve roster who were sent contracts a few days ago to the effect that they would sign their agreements and send them in later.

HASSETT JUNIOR FIVE WON CITY CHAMPIONSHIP

The Hasset Junior team last night defeated the Methodist Boys' Club five, score 18 to 17, taking the local junior championship. The line-up and summary:

Methodist	Hasset
Hall, f.	S. McCalley, f.
Fran, f.	McCurdy, f.

Field goals, Hall 2, Fran, Winn 2, Long, Rapp, McCalley 2, McCurdy 5, Sourbier, Foul goals, Rapp 3, McCalley 2. Referee, Hennenkamp. Scorer, Myers. Timer, Slentz. Time of halves, 20 minutes.	

Scholastic Games This Week's Feature; Important Battles

Scholastic games this week will include Central and Lebanon High at the Chestnut Street Auditorium and Tech High against Lancaster High at the Tech Gymnasium. Both games will be played Friday evening and there is a strong bid for patronage.

Tech was defeated by Lancaster High earlier in the season and as this is the only time Lancaster will be seen in Harrisburg many will want to see the battle at Tech, the Lancaster five being strong contenders with Central High for Central Pennsylvania championship honors for this season.

Central High has a good chance for landing the championship and, while Lebanon with a strengthened team expects to give Central a hard battle, another victory is almost certain to come to the local stars Friday night. Indications are that Central High tossers will this season go ahead of all records for winning games and running up big scores. Central in Rote has the one big star who will figure first in the selection of an all-star scholastic five.

PUBLIC OPINION AND THE LIGHT IN YOUR STORE

The opinion of the public is always in the balance and may be influenced even by trifles. When it comes to your store the public is either enthusiastic, indifferent or against you.

"If they get you in there under that light they can palm off anything on you," is a remark often made. Are you letting this take business from your store?

Have us equip your store with modern gas lamps—then you will have a white, steady light almost like daylight, the light the public recognizes as being fair to them when it comes to looking at goods.

Thinking of Quality
These days, most men when they think of a smoke, think of King Oscar 5c Cigars

It's the way quality always affects the mind. Its influence is simply irresistible. Think of soap, silver, flour and what not and the quality kinds are the ones you instinctively think of.

It's a good thing, too.
