TWO CLAIM BOROUGH SOLICITOR'S OFFICE

H. M. North, Jr., Democratic Incumbent, Claims to Hold Over at Columbia

Special to The Telegraph
Columbia, Pa., Feb. 5.—Columbia now enjoys the distinction of having two borough solicitors. Hugh M. North, Jr., a Democrat, was chosen by the borough council in March, 1911, for a term of three years. The council at its organization in January elected J. E. Seft, a Republican, as his successor on the assumption that Mr. North's term would expire in March of this year. The act of Assembly of last year, which declares that borough officers whose terms expired in 1914 should hold over two years, Mr. North thinks applies to his office of solicitor, and he says he will continue to exercise the functions of solicitor. The council is Republican and when Mr. Seft was chosen it was expected that he would assume his duties in March. Some of the members being of the opinion that the act of Assembly does not apply to officials chosen by legislative bodies. No movement has as yet been made to determine the status of the situation and meanwhile both men are hopeful of serving.

Can't Help But Admire Babies

Every Woman Casts Loving Glance at the Nestling Cuddled in its Bonnet.

A woman's heart naturally responds to the charm and sweetness of a pretty child, and more so to-day than ever before since the advent of Mother's Friend.

This is a most wonderful external help to the muscles and tendons. It penetrates the tissues, makes them pliant to readily yield to nature's demand for expansion, and there is no longer a period of pain, discomfort, straining, nausea or other symptoms so often distressing during the anxious weeks of expectancy.

Mother's Friend prepares the system for the coming event, and its use brings comfort, rest and repose during the term. This is a most marked influence upon the baby, since it thus inherits a splendid growing system of nerves and digestive function.

And particularly to young mothers is this famous remedy of inestimable value. It enables her to preserve her health and strength, and she remains a pretty mother by having avoided all the suffering and danger that would otherwise accompany such an occasion. Mother's Friend thoroughly lubricates every nerve, tendon and muscle involved and is a sure preventive for chafing of the breasts.

You will find this splendid remedy on sale at all drug stores at \$1.00 a bottle, and is highly recommended for the purpose. Write Bradford Regulator Co., 134 Lamar Bldg., Atlanta, Ga., and they will mail you sealed, a very instructive book for expectant mothers.

Surprise For Columbia Council When Bill Comes

Special to The Telegraph
Columbia, Pa., Feb. 5.—The borough council met in regular session last night and the members received a big surprise when presented with a bill of \$377.95 from ex-Sheriff A. B. Landis, for costs on old tax liens filed in 1906-07. Borough Solicitor H. M. North, Jr., informed council that in the years named, a tax levy for \$19.11 against a property in the borough had mulcted the borough for over \$100 in costs, and that if scire facias were filed in the others for \$600 or \$800, the cost would be about \$3,500. The council decided to look into the matter and the effect will be to cause them to go a little slower on liens in the future.
