

**DON'T GET THE IDEA**

that this Live Store's MARK-DOWN SALE is the same as any other sale in any other store. Far from it. Here you find every garment in the stock at a big and actual reduction from its former low price. Here you find a stock which has no equal in size or variety in Harrisburg, and every garment was new this season.

Always Reliable

To-Morrow Morning  
WE START THE HALF YEARLY  
**Mark-Down Sale**  
OF OUR ENTIRE STOCK

**No Imaginary "Values"**

are quoted. The garment that was \$15 in November is still a \$15 garment--not a "\$20 value"--and it's yours now for \$10.75. And don't forget there's plenty of everything. Whatever you may need to wear for this winter or next, you can buy it here now at a big and KNOWN saving of real money. No guesswork about it.

At the end of the biggest season this store has ever experienced, we follow out our usual custom of disposing of all our Winter merchandise on hand. It is not in any sense shelf-worn merchandise of uncertain age and origin but new 1913-14 productions of the country's foremost makers of men's wear, worth what we have asked for it heretofore, well worth any man's consideration now.

One thing of vital importance, a thing to be remembered in your consideration of this sale is the fact that this is OUR MERCHANDISE, purchased for selling this season, tested by our quality standards, attested to by hundreds of men who have purchased here during the past few months.
