Millions Now Know MUSTEROLE

They used to put up with the muss and the bother of mustard plaster. For, after all, nothing gave such immediate, such lasting relief as the old-time mustard plaster.

It smarted, and blistered like all get-out, but it surely did the work. Science now has combined the amazing curative properties of mustard with other ingredients into a wonderful ointment.

It is called MUSTEROLE. And it does what mustard plasters used to do, without the plaster, and without the blister!

You just rub MUSTEROLE in. That's all. Then watch how soon the

pain goes scotching. How the cool, soothing relief comes afterwards.

MUSTEROLE Gives instant relief from Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lamboago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chlilblains, Frosted Feet, Colds of the Chest (It prevents Pneumonia).

At your druggists, in 25c and 50c jars, and a special large hospital size for \$2.50.

Accept no substitute. If your druggist cannot supply you, send 25c or 50c to the MUSTEROLE Company, Cleveland, Ohio, and we will mail you a jar, postage prepaid. (63)

O. A. KING, Mishawka, Ind., says: "We consider this a very valuable asset to our medicine cabinet and always have a supply on hand."

OVER HALF OF ALL SICKNESS CAUSED BY CLOGGED-UP WEAKENED KIDNEYS

Hundreds Are Suffering With Kidney Trouble and Don't Know It. Backache, Bladder Disorder and Rheumatism Are The Result.

It is a well recognized fact among physicians to-day that the greater part of all sickness can be avoided by keeping the kidneys working properly.

This is even more important than for the bowels to move regularly, because the kidneys and bladder are the filters and sewers of the body. If you suffer with pains in the back or sides, bladder or urinary disorders, lumbago, rheumatism, dizziness, puffy swellings under the eyes or in the feet and ankles, nervousness, tired and worn-out feeling, or any of the many other symptoms of kidney trouble, don't neglect yourself another day and run the risk of serious complications.

such troubles. It soaks right in and cleans out all the poisonous waste matter and uric acid that lodges in the joints and muscles, causing rheumatism; soothes and heals the bladder and quickly ends all such troubles.

It is the most wonderful remedy ever made for the purpose. You will find it entirely different from anything you have ever used. There is nothing else on earth to compare with it. It matters not how old you are or how long you have suffered, the very principle of Croxone is such that it is practically impossible to take it into the human system without results.

You can secure an original package of Croxone from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give the desired results the very first time you use it.—Advertisement.

LIBRARY SERVICE EXCEEDS HOPES

Over Forty-two Per Cent. of Books Taken Out Are by Children in Schools

RUSH FOR JUVENILE BOOKS

Public Aid For Institution Will Be Necessary Before Many Months Go By

More books must be added to the Harrisburg Public Library, especially in the juvenile department, where the demands of the school children of the city have been so heavy that the daily supply of books has been seriously reduced.

The total number of books catalogued is 8,200, of which 6,200 are adult fiction and reference books and 2,000 are juvenile books. During the month of January, over 42 per cent. of the 11,972 books circulated during the twenty-eight days on which the Library was open in January.

The Library has proved to be immensely popular and the demands upon it have been so great that additions to the stock of books must be made and the time is nigh when public assistance will be necessary.

Use of the reference department has grown rapidly, 116 questions of major importance being answered in January, and thus far this month over a score of requests for aid in collecting data for school debates have been cared for.

Letters to the Editor

REMOVE THE WRECKS

To the Editor of The Telegraph:

Dear Sir: I have been reading and hearing a great deal lately about wiping out the Hardscrabble block, abolishing the billboard nuisance and numerous moves towards making Harrisburg what it undoubtedly deserves to be—city beautiful. Yet I hear nothing of any move by the city towards doing away with the wrecked houses on Main street near Fifteenth, which have been an eyesore and a nuisance to the residents of that section of the city for the past eleven months.

The collapse of these houses was unquestionably due to the breaking and consequent washing of the old sewer running from Fifteenth street, directly underneath these houses, to the connection with the Nineteenth street sewer near Sixteenth and Catherine streets, aggravated and brought to a head by the severe rains of last March.

Surely, when the city granted the permit for the erection of these houses they assumed the responsibility of making it a proper site for same. Yet up to the present time I believe they have done nothing towards rebuilding, or at least recompensing the property owners for the loss of their homes and household goods.

I venture to state that a similar condition of affairs in Front street would have been allowed to revise the case in our courts, thus proving once again that the city is not made to right.

You are respectfully, A HILLITE SUBSCRIBER.

Thieves Robbing Farmers in Vicinity of Dillsburg

Dillsburg, Pa., Feb. 10.—Not for a number of years has there been so much stealing done as has been the case for the last three months in this section. At first the thefts were confined to the stealing of chickens, and in many cases large numbers were taken. Now the thieves have turned to smokehouses on farms, taking hams and smoked meats of all kinds.

Columbia Man With Broken Back Leaves Hospital

Columbia, Pa., Feb. 10.—Walter Torbert will leave the Columbia Hospital this week after being confined six months in that institution suffering from a broken back. Mr. Torbert sustained the injury to his spine last August, when a case of tobacco fell off a dray wagon and struck him on the back, since which time he has been paralyzed from his waist down.

GO-TO-CHURCH! SUNDAY

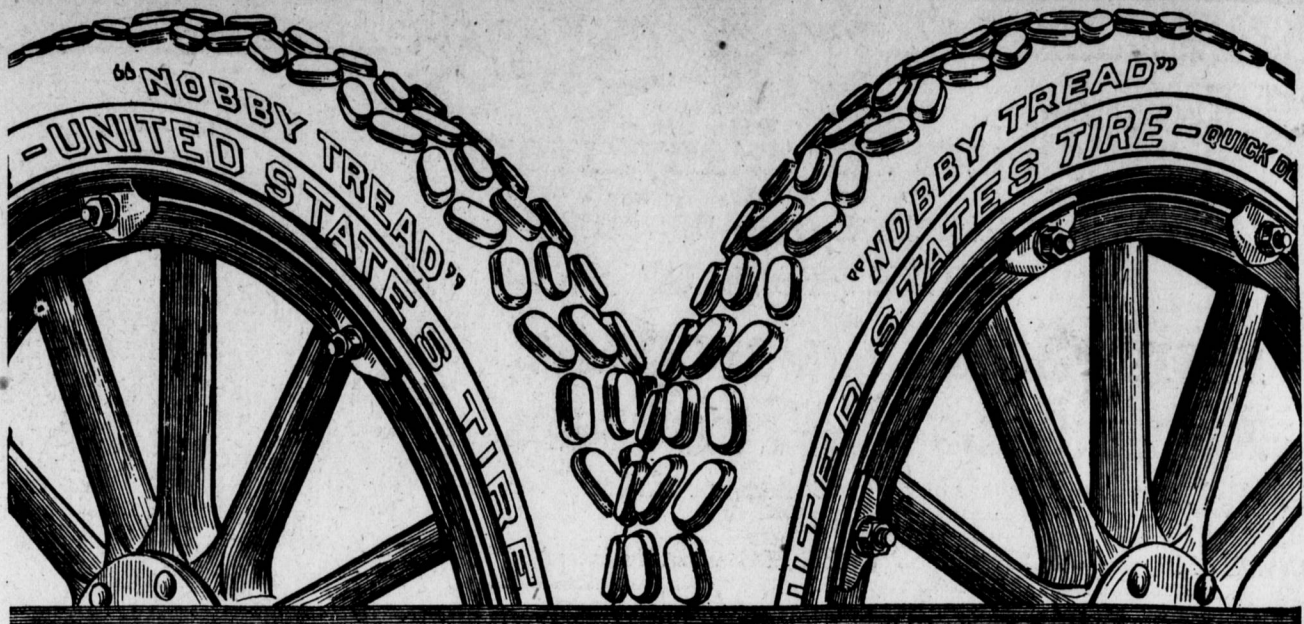

Columbia, Pa., Feb. 10.—Columbia will have a "Go-to-church Sunday," February 22, at which time it is planned to get most of the people to attend church. The Ministerial Association has been making an active campaign with that object in view, and in this work they have the assistance of the members of the various churches.

Beginning Today

"Nobby Tread" Tires

are now sold under our regular warranty---perfect workmanship and material---BUT any adjustments will be on a basis of

5,000 Miles

This applies also to all "Nobby Tread" Tires now in service on automobiles.

The "Nobby Tread" Tire was placed upon the market in 1909—it was built regardless of price competition, and built to accomplish two purposes:

- No. 1—To give American automobile owners the lowest "cost per mile" tire that could be built. No. 2—To give American automobile owners a real anti-skid tire.

The inherent wear-resisting quality—the quantity of rubber—the quantity of fabric—the methods of construction—all have been rigidly maintained in "Nobby Tread" Tires, and maintained regardless of cost and regardless of price competition.

The result is that—today, through sheer merit alone, "Nobby Tread" Tires are the largest selling high-grade anti-skid tires in the world.

But more than this—solely through their day in and day out mileage records, "Nobby Tread" Tires have proved that they are the most inexpensive tires in the end.

Therefore, based solely on their mileage records of over four years, "Nobby Tread" Tires can be, and now are, placed on this 5,000-mile basis of adjustment.

This applies to each and every "Nobby Tread" Tire in service on automobiles today or unsold in dealers' stock anywhere in the United States, carrying our regular warranty.

Corn Shows by Pupils of Lebanon County Schools

Lebanon, Pa., Feb. 10.—A joint committee of the Lebanon County Agricultural and Horticultural Association, and the County School Teachers' Association held a meeting at which it was decided to revise the rules for holding corn shows in the public schools of the county. Next Fall each of the county schools will hold a corn, fruit and vegetable show. Prizes will be awarded for the best specimens grown by the children, and the prize winning fruits, corn and vegetables will be exhibited at a show to be held by the township, and later the best of three exhibits will be dis-

played at the county corn show. The conditions of cultivating corn was also changed so as to increase the latitude of juvenile exhibitors, and the age limit was changed from 10 to 18 years, to from 6 to 21 years.

LIQUOR LICENSES GRANTED Sunbury, Pa., Feb. 10.—Judges Cummings and Moser yesterday granted all of the liquor licenses held up but two. These two will be granted, but not to the present owners. One of these is Frank Troutman's Cafe, a \$100,000 Shamokin eatinghouse in the G. A. R. Building. It is for the old soldiers that the court has not absolutely refused the license. They must get a new tenant though, as Troutman, it is alleged, permitted men and women to act in open lewdness in side rooms. Two cafe owners were granted licenses.

FOR HEADS OF FAMILIES

Every power put into the hands of a man carries with it the possibility of abuse. The natural power which is a parent's due—and which in its measure is a teacher's due—is of course given to be used. A man must rule his household. Children must be trained, disciplined, guided, restrained. It is no appeal for anarchy. Even a despotism is better than no government at all.

But if little ones are under your power, and rightly so, they are in your hands not for your pleasure and that your will may be done—LUCY are human beings, immortal souls, with inalienable rights. Sins against them will recoil most terribly against the sinner. We see them recolling every day, and that is why a sermon on this text is necessary, though you may never have heard one on it before.—The Christian Herald.
