BIDS FOR NEW FIRE HOUSE

At a recent meeting of the Citizen Fire Company at Lemoyne bids were made for the erection of a new fire house at the corner of Bowman avenue and York street. Action on the bids was deferred until the next meeting to consider the proposition of buying a building already erected.

Workmen's Body Cut in Two When He Falls Against Saw

Special to The Telegraph
Lewistown, Pa., Feb. 12.—Slipping and falling against a rapidly revolving circular saw, William L. Snook, who resides near Maitland, met death, his body being cut in two. Mr. Snook, who was employed at a sawmill operated by I. Yeatter, while in the act of shoving the log-bearing truck away from the saw, his feet slipped and he plunged against the saw. His right leg from toes to knee was cut open, and the left leg severed at the hip, cutting through the groin and abdomen. The unfortunate man was about 50 years of age and is survived by a wife and three children.

MAN VODY RECITAL PROVES BIG SUCCESS

Player Piano Used For Accompanying Violinist and Soprano Soloist

The almost unprecedented audience of over 1,200 persons attended the Van York Angelus recital in the Technical high school auditorium last evening. In this concert the Angelus player was used, not only as a means for solo work, but in the hands of Mr. Van York to accompany Sara Lerner, violinist; Hans Kronold, violinist, and Mrs. Bumbaugh, soprano soloist.
The concert was without a doubt a tremendous success, to the mind of the audience. Several musicians have expressed themselves by stating that Mr. Van York accomplished almost the impossible in that he relieved the common impression that all player-piano music must be turned out by the "yard."
Technique with a player-piano is almost of necessity flawless, but Mr. Van York's mastery of tempo showed that this mechanical perfection could be made much less noticeable. Particularly were the musicians of Harrisburg surprised with the excellence of the accompaniment.
The secret of success in this field of music lies in following the soloist by just the fraction of a second, and, as every artist is given to individual interpretation of a composition, it was only natural that it should be expected that the player accompaniment of a composition should be of a greater or less degree of contrast with the soloist interpretation. Particularly should such expectation be the case with Mrs. Bumbaugh and Miss Lerner, but it was the accompaniment of these two artists' numbers which were commented upon so favorably.
Hans Kronold, unfortunately, was at a disadvantage in his first number. The stage setting and the accents produced a peculiar effect which was anything but pleasing, but before starting upon his second number, the well-known melody from "Thais," by Massenet, Mr. Kronold had the potted plants rearranged and it was then that the audience was permitted to realize the mastery which has made him the world-famed musician.
Miss Lerner's first number was the Legende by Wienawski. Her playing is greatly to be praised, not alone from its artistry, but as well from the fact that it was Miss Lerner's first attempt at playing with an Angelus accompaniment. Her second number, "Hejre Kati," so well pleased the audience that Miss Lerner was forced to respond with an encore, for which she played the well-known Humoresque by Dvozak.

Mr. Bumbaugh's work received the highest commendation and was undoubtedly heard at her best in the Cadman version of the Indian melody, "The Land of the Sky Blue Water."

Conference on City

Employe Appointments Due To-morrow Night

Instead of meeting to-night to confer on the proposed appointments under the so-called "ripper" resolution, the City Commissioners will get together in conference to-morrow evening, it was announced, by City Commissioner W. H. Lynch today.
All the commissioners including Mayor Royal and Superintendent of Finance W. L. Gorgas will attend, it is expected, and the personnel of the various departments will be going over the proposed appointments, and the probable permanent changes decided upon. At that, comparatively few dismissals and new appointments will be made, it is believed. The Lynch resolution calls for the dismissal of all the city employes, not otherwise protected by the Clark act, on March 1, but it is said that no department except the Police Department will be materially affected.
The proposed dismissals will likely be incorporated in one or more resolutions to be offered in Council Tuesday afternoon. The Mayor's resolution, provided for the reappointment of the entire police force, if it is understood, will be postponed indefinitely or killed.

Big Business Can Now See Rising Prosperity

New York, Feb. 12.—"The tide has turned. Business is no longer dull, and everything points to the greatest era of prosperity in the history of the country. So don't mope. Get busy. Put ginger into your work and get orders. Make other business men see the bright things ahead. Now is the time to hustle; for the men who get the lead now, are going to show the biggest results."
That is the attitude of the Sherwin-Williams Company, a \$15,000,000 wholesale and retail paint and varnish concern, with headquarters in Cleveland, Ohio, and 100 branches distributed throughout the country. That is the sentiment of Walter H. Cottingham, president of the company, who has sent word to every branch manager to get busy; for the business of the entire country is feeling the impetus of revival.

PORTION OF JAW REMOVED

Harrisburg, Pa., Feb. 12.—On Tuesday Paul Grove, a well-known young farmer of Monaghan township, was taken to the Harrisburg Hospital, where he was operated on for a dislocated jaw in his upper jaw. Grove had some bridge work done on his teeth some time ago and one of the teeth became diseased at the root, causing the jaw bone at that point to become infected, and to save further trouble a small portion of the bone had to be removed.

RESISTANCE TO DISEASE

Why is it that one person can work all day standing in cold water, slush and snow with no harmful effect, while another with less exposure contracts colds, pneumonia, rheumatism, sciatica or something equally distressing and dangerous?
Because in the first case the body was in such perfect balance that there was "resistance" to disease. In the second there was lack of tone that invited ill health.
Keep your system toned up with Dr. Williams' Pink Pills and foods that once distressed you will be harmless, exposure will bring on fears of rheumatism and neuralgia and even germ diseases need hardly be dreaded.
Dr. Williams' Pink Pills assist digestion, correct the insidious, palpitation of the heart, shaky nerves and the pallor of face and lips that are the results of thin, impure blood.
Try Dr. Williams' Pink Pills for anemia, rheumatism, neuralgia, nervousness. Take them as a tonic if you are not in the best physical condition and cultivate a resistance that will keep you well and strong. Get a box from the nearest drug store and begin his treatment now.

HANDSOME DOES AS HANDSOME IS

The looks of a newspaper—can you escape their influence? Are you not attracted by the appearance of such a paper as the Public Ledger—its typography, its expression, its physiognomy, its air of clean, helpful, well-arranged, orderly presentation of the news of the world? There is a certain satisfaction in having it lying upon your doorstep or your center table.

Eighth Anniversary of New Cumberland Church

THE REV. B. D. ROJAHN

Special to The Telegraph
New Cumberland, Pa., Feb. 12.—On Sunday, Feb. 15, the eighth anniversary of Trinity United Brethren

church, the Rev. B. D. Rojahn, pastor, will be held. The Rev. W. H. Washington, D. D., presiding elder, will be present at all the services during the day. Special music will be rendered by the choir and men's chorus.
The indebtedness of Trinity United Brethren church is \$3,000, nearly \$1,000 of which is on hand. It is expected that the remainder will be made up in cash and subscriptions on the anniversary day.

Recent Deaths in Central Pennsylvania

Special to The Telegraph
Marietta.—Mrs. Julia Prady, 57 years old, died yesterday. She was born in Franklin county and soon after her marriage to Peter Prady, forty years ago, removed here. She was the mother of nine sons, eight of whom are still living here. One brother in Philadelphia also survives.
Terre Hill.—Joseph J. Good died yesterday in his ninety-third year. All his life was lived in Lancaster county and he was one of the most active men until ten years ago. Three children, one residing here and two in Philadelphia, survive.

ASKS FOR NEW TRIAL

Sunbury, Pa., Feb. 12.—Mark L. Swarb, who was found guilty of aiding and abetting in the murder of Peter Prady, in the misappropriation of \$19,073.38 of the funds of Northumberland county, has asked for an arrest of judgment in order that his counsel may file reasons for a new trial.

McCAIG TO TALK TO ALLISON HILL MEN

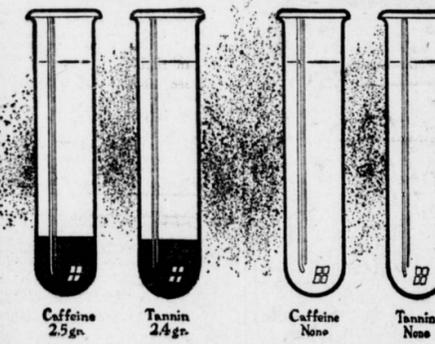

In order that Allison Hill men may have a special opportunity of hearing the Rev. Dr. J. Aspinall McCaig, who is lecturing daily at Zion Lutheran Church, the Allison Hill Men's Christian Association has arranged to hold two meetings next Sunday. It will hold its usual "Pleasant Sunday Afternoon" meeting at 3:45 o'clock, and the second one at 9 in the evening. The afternoon speaker will be the Rev. J. W. MacPherson, pastor of the Philadelphia Swedenborgian Church, who will come here especially for the meeting.
Dr. McCaig will speak in the evening, because it is the only available time. He was asked to address the Hill association during his Harrisburg campaign, but found that he could not do so at the "Pleasant Sunday Afternoon" meetings because of previous arrangements. He offered an after-church lecture on a Sunday evening, however.

Coffee vs. Postum

Any analytical chemist can prove by analysis that coffee contains two harmful drugs—

Caffeine—an alkaloid that irritates the heart, liver and kidneys, and upsets the nerves.

Tannin—a drug which produces an astringent action upon the tissues of the stomach and bowels.

But the greatest test of all is made in thousands of homes where it is daily proven by personal experience that headaches, biliousness, indigestion, heart irritation and nervousness are very often caused by coffee drinking.

An ordinary cup of coffee contains about 2½ grains of caffeine, and 2-2.5 grains of tannin.

Some coffee concerns have tried in various ways—without much success—to rid coffee of its caffeine, because they know its harmful effects. Now they are agitated because people are objecting to the presence of tannin in coffee—the same element (but obtained from bark) that is used to tan leather.

The simple, easy way out of coffee troubles is to quit this harmful beverage and use the pure food-drink

POSTUM

It is absolutely free from these drugs or any harmful substance. Made only from prime wheat (roasted) and a small percent of molasses, Postum contains the rich, nutritious values of the grain—is a genuine food-drink.

Postum comes in two forms:
Regular Postum—must be well boiled. 15c and 25c packages.
Instant Postum—a soluble powder. A teaspoonful stirred in a cup of hot water, with cream and sugar makes a delightful beverage instantly. 30c and 50c tins.

The cost per cup of both kinds is about the same.

"There's a Reason" for POSTUM
—sold by grocers everywhere.

ONE DOSE RELIEVES A COLD—NO QUININE

"Pape's Cold Compound" ends bad colds or grippe in a few hours

Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, soothes nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.—Advertisement.

The Economic View of Hershey

No matter where you live; the economy of living presents itself as a vital question. Cost of living, taxes and many other items play a most important part. Hershey in a large measure obviates all of such present-day worries.

Cost of living here is lower than in the city. It is bound to be, for acres of cultivated farm land surrounding the town supply the market direct, and, due to the unnecessary for transportation, supply it cheaply. Taxes, too, are low. A further inquiry will satisfy you on that score as well as conclusively proving to you that Hershey is the one place you will want to live.

Lots here sell for \$600.00 upward for 40 feet frontage. Reasonable building restrictions protect your home. Representatives always on the ground. Phone or write
