Our Price, \$60  
In Spanish Leather

A Most Remarkable Value, Style and Quality Considered

The Cromwellian Period was never better exemplified than in these three pieces—suitable for reception hall or living room.

A distinctive feature of this rich suite is the turned legs and stretchers done in Old Oak Finish—which, when contrasted to the genuine Brown Spanish Leather covering makes a wonderful effect. A touch of quiet elegance is added by the use of oxidized nails.

Sofa is 54 inches in length. All hair upholstery throughout.

## END INDIGESTION, DYSPEPSIA, GAS, SOUR STOMACH—PAPE'S DIAPEPSIN

Time it! In five minutes your upset stomach will feel fine.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmless, its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach

trouble has made it famous the world over. Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store, and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and causes gas, or causes headache, dizziness and nausea, or cructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Advertisement.

### How to Eradicate All Superfluous Hair

Advise by a Skin Specialist

As soon as women of to-day learn that permanent removal of ugly, repulsive hair growths can only be gained by reaching the hair root and not by using common, worthless depilatories such as burning pastes, powders, evil smelling liquids, etc., the better it will be for their happiness and safety. Nor can the electric needle be depended upon to give absolutely perfect results without danger of horrible scars or facial paralysis. The best means I have ever found that never fails to remove all signs of disfiguring growths of hair on the face, neck, arms or hands, is a simple, inexpensive preparation called Mrs. Osgood's Wonder. It absolutely harmless, cannot injure the skin or complexion and in a surprisingly large number of cases has succeeded in killing the hair down to the very roots, source of all growth. When the roots are killed no more hair can grow. You can get Mrs. Osgood's Wonder from Kennedy's Medicine Store or any up-to-date druggist or department store, on the guarantee of your money back if it fails. Signed guarantee with every package. There is no longer need for any woman to suffer the embarrassment of this humiliating blemish. Let me caution you, however, not to apply this treatment except where total destruction of hair is desired.—Advertisement.

### PRACTICAL PSYCHOLOGY

Some men study psychology as a hobby and others ride it as a hobby, but Professor Newell C. Maynard, who is to lecture in this city February 16 and 17, upon "The Psychology of Success," is an exponent of psychology as a practical factor in the business world.

For years Mr. Maynard has given himself to the study of psychology from the point of view of the man of affairs and therefore what he has to say will be with the voice of authority.

He has no sympathy with fine spun theories of success which do not accord with the facts of life, but believes that psychology has practical value to the average man and woman.

Professor Maynard will speak three times here, upon the subjects "Men and Women," "The Happy Child," and "The Psychology of Success."

Those who wish to hear the lecture of "The Psychology of Success," No. 20, under whose auspices the lectures are being given, are anticipating a large attendance.—Advertisement.

### REGRET RESIGNATION OF MRS. ROESSING

Head of State Suffrage Association Succeeded by Miss Hanna Patterson

Both Bride and Bridegroom Are Frequent Visitors in This City

One of the prettiest weddings of the season was solemnized last evening at the home of Mr. and Mrs. Harry G. Devlin, on Allison Hill, when Miss Anna M. Boyce, a pretty society girl, of Brooklyn, became the bride of

Nathan A. Locklin, of Cleveland, Ohio. The ceremony was performed in the parlors of the Devlin home amid poinsettias, roses and ferns by the Rev. James Fry Bullitt, rector of St. Andrew's Protestant Episcopal Church.

The bride, who was given in marriage by her mother, Mrs. W. G. Boyce, was charming in a gown of white crepe de chine and white lace, with long train, and carrying a large bouquet of white and pink roses. Her veil, the one worn by her mother forty-four years ago, was caught with lilies of the valley and white roses.

Mrs. H. G. Devlin, the matron of honor, wore a clinging gown of white and carried pink carnations, and Miss Etta Skillin, of New York, niece of the bridegroom, was flower girl, dressed in white and carried beautiful roses. H. G. Devlin was the best man.

After the ceremony the wedding party, consisting of Mrs. W. G. Boyce and Mrs. Henry Baker, mother and sister of the bride; Miss Etta Skillin, Mr. and Mrs. Harry G. Devlin, Peter Locklin, father of the bridegroom, and Mr. and Mrs. Nathan A. Locklin, went to the Pennsylvania Railroad dining room, where a handsomely appointed dinner was served. Mr. and Mrs. Locklin stopped at the Senate and early this morning left for an extended trip to Niagara, Quebec and the Thousand Islands. After March 1 Mr. and Mrs. Locklin will be "at home" at Frain Hall, Cleveland, Ohio.

The resignation of Mrs. Frank M. Roessing yesterday as president of the Pennsylvania Woman's Suffrage Association because of ill health has caused much regret among suffrage workers in the city and the State.

Mrs. Roessing's leadership is attributed the remarkable success of the suffrage movement in a short time in the State. She engineered the passage of the amendment at the last Legislature and she has laid plans for carrying the work further.

Miss Hanna J. Patterson, the leader of the Pennsylvania Woman's Suffrage party, will assume the leadership until Mrs. Roessing's recovery. Miss Patterson is already planning the Spring campaign.

Mrs. Roessing is a descendant of English and German peoples. She was a delicate, studious girl, always reading, thinking and discussing deep problems. She was considered too frail to go to college and finished her education in foreign travel.

Her home-loving German mother instilled in her the domestic traits of the German and at 12 years of age she was given a training in business methods in household affairs.

She served as president of the association since 1912, being re-elected at Pittsburgh last October despite her protests.

Besides stopping the distress Mi-o-na soothes the irritated walls of the stomach and strengthens the gastric glands so that they pour out their daily supply of digestive materials—what you eat is converted into nutrition and the entire system is properly nourished—you feel perfectly well, free of the blues, strong and energetic.

Mi-o-na is truly a household remedy—perfectly harmless—and is surely one of the best preparations to fix up out-of-order stomachs. Get a box from H. C. Kennedy to-day. He will refund your money if it is not satisfactory—you can be the judge. Could anyone ask more?—Advertisement.
