The mayor did not suffer from the headaches prior to that time.

Pennsylvania Cutting Down Time of Marysville Crews

During the past week, Pennsylvania Railroad officials at Marysville issued an order cutting down the time of work of the different crews in the big preference freight yards of that place, by several hours. Give An Angelus Recital In Your Own Home

The Angelus

If you were fortunate enough to hear Mr. Van Yorx in Angelus Recital at the Technical High School last week you will agree with hundreds of others, that the Angelus produced perfect music; that the rendition was absolutely faultless, lacking wholly that mechanical quality common to player-pianos. But, has it occurred to you that

You, Yourself, Can Play the Angelus?

Play it just as perfectly and artistically as Mr. Van Yorx did. You can. You can actually put the same feeling, the same expression into your playing that Mr. Van Yorx put in his, because, Mr. Van Yorx, personally marks every shade of expression, and every change of tempo on each and every angelus music-roll, before it leaves the factory. But remember only with the Angelus, and no other player, can you produce this purely personal music. This is true because only the Angelus is equipped with the Melodant, the Phrasing Lever and the Diaphragm-Pneumatics, without which perfect playing is impossible. Seeing and hearing is believing. Come in anytime. See the Angelus, hear it, play it yourself and learn how easily you may give an Angelus Recital in your own home.
