

ONLY in our store can you be shown this famous shopmark.

This is the inlaid mark of honor which positively identifies to you and guarantees every piece of true Berkey & Gay furniture.

It is not a mere label, but is inlaid—made a lasting part of each piece.

If the shopmark cannot be shown to you, then the piece is not manufactured by Berkey & Gay.

We are the sole dealers in Berkey & Gay furniture here. Our store was chosen by the Berkey & Gay Furniture Co., and we are naturally gratified at this confidence in us.

The stock on our floors is supplemented by a large portfolio of direct photogravures, thus enabling you to select from the entire line of upwards of five thousand pieces.

For fifty years Berkey & Gay furniture has been the standard of American manufacture. As its makers say, it is "for your Children's Heirlooms."

Please bear in mind that only here can you be shown furniture bearing the Berkey & Gay shopmark. We are always glad to show you the whole line.
