SAVES ELDERLY PEOPLE FROM KIDNEY AND BLADDER MISERIES

Sleep Disturbing Bladder Weaknesses, Backache, Stiff Joints, Rheumatic Pains Disappear After Few Doses are Taken

While people along in years are naturally more subject to weak kidneys, they can avoid the tortures of backache, and rheumatism, and be saved the annoyance of getting up at night with disagreeable bladder disorders, for the new discovery, Croxone, quickly relieves the most severe and obstinate cases. It is the most wonderful remedy ever devised for ridding the system of uric acid. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. Croxone makes the kidneys filter the blood and sift out all the poisonous acids and waste matter that cause these troubles. It soaks right in and cleans out the stopped-up, inactive kidneys like water does a sponge, dissolves, and drives out every particle of uric acid.

TIP GIVEN OWNERS OF SLOT MACHINES

Mayor of Lebanon Moving to Clear City of All Gambling Devices

Special to The Telegraph Lebanon, Pa., Feb. 17.—Mayor Longenecker has issued an order directing the removal of all gambling devices and lottery schemes from cigar stores. Last week the police were directed to make a tour of the cigar stores to find slot machines, but the tip had gone in advance, and no machines were found. Now the Mayor has put the taboo on the cards with the pasted numbers, which dispose of card tables and other articles, and all cigar merchants have been notified to clean out their places at once of such gambling contrivances as suffer the consequences. The action was precipitated by the complaints of citizens that small boys were spending their money trying to win watches and other cheap jewelry.

TROUBLES OF RURAL CARRIERS

Special to The Telegraph Mechanicsburg, Pa., Feb. 17.—Badly drifted roads have caused the rural mail carriers plenty of trouble in getting over the routes the past few days. In order that his horse could get through, on Saturday, one of the carriers was obliged to get out and tramp the drifts in front of the horse. Another got through by unitching his horse and riding. It was impossible for some to reach every mail box and nearly all the men were three hours late returning to town.

Money Saved by Making Your Cough Syrup at Home

Takes But a Few Moments, and Stops a Hard Cough in a Hurry.

Cough medicines, as a rule, contain a large quantity of opium. If you take one pint of granulated sugar, add 1/2 pint of warm water and stir about 2 minutes, you have as good syrup as money could buy. If you will then put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for \$2.50. Take a teaspoonful every one, two or three hours. It keeps perfectly. You will find it one of the best cough syrups ever used—even in whooping cough. You can feel it take hold—usually conquers an ordinary cough in 24 hours. It is just laxative enough, has a good tonic effect, and the taste is pleasant.

It is a splendid remedy, too, for whooping cough, spasmodic croup, hoarseness and bronchial asthma. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in guaiacol and other healing pine elements. No other preparation will work in this formula. This plan for making cough remedy with Pinex and Sugar Syrup is now used in more homes than any other cough remedy. The plan has often been imitated but never successfully. A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

Starving Red Birds Come to Farm Houses For Food

Special to The Telegraph Waynesboro, Pa., Feb. 17.—One of the worst and heaviest snowstorms visiting this section—or Southern Pennsylvania—for many years, began falling Saturday and last night the air was again filled with the flakes.

In Waynesboro the snow is between 14 and 16 inches deep and all automobiles have been put out of commission. Trolley service was laid up.

Many farmers residing in the Marsh district, near Quincy, Mont Alto, Tomstown, Rouzerville and Zullinger are not able to reach town by vehicle on account of the snow drift that have been piled high across the country roads. At a number of places the snow banks are mountains in size, being much higher than the fences that line the roads on either side. The deep snow has robbed the birds of the field and forest of their means of sustenance—they can neither get water or food—and they are suffering much in consequence. Yesterday morning twenty red birds were counted in a flock that gathered at the residence of Charles O. Bonner, the fruit-grower, of Tomstown, near Waynesboro. Mr. Bonner has been in the habit of feeding the birds and some of those who had eaten from the terrace at his home must have guided the hungry birds to the place. In addition to the red birds, a score of other birds assembled there for food.

Many farmers and residents of town are feeding the birds, which fly to the window sills of their homes and flap their wings against the window glass.

LUTHERAN PREACHERS' LENTEN CONFERENCE

Annual Session to Be Held in This City, Thursday, Feb. 26

Lutheran ministers from this city and surrounding towns will meet in the annual Lutheran Lenten Conference in Zion Lutheran Church, here, Thursday, February 26. There will be three sessions, morning, afternoon and evening. At all sessions, Dr. J. Aspinall McCuaig will be the speaker. This conference is held annually among the ministers preparatory to Lent. The sufferings of Christ are made a special study at this conference, and usually several of the ministers prepare papers which are read. Lenten hymns and prayers are offered. Dr. McCuaig will take the place of the speakers of other years. He will give three talks on "Sin," following out this order, "Sin in the Seed," "Sin in the Fruit" and "Sin in the End."

These ministers will take part in the conference: The Rev. Fuller Bergstresser, Middletown; the Rev. Frank E. Moyer, Highspire; the Rev. Danley E. Ruppel, Oberlin; the Rev. Lyle W. This circle will have for its interests missionary work, social and general interests of the church. These officers were elected: Miss Margaret Boas, president; Miss Evelyn Shoemaker, vice-president; Miss Mary Kinsey, secretary; Miss Dorothy Helms, treasurer. Heisey, Hudson Bucher, Ray Smith, Robert Miller, Roy Matchett, Robert Foulk, Harry Pierce, Charles McHarris, Harry Daugherty, Godelle Stroud, Samuel Phillips, Charles Eisner, Otto Helf, Harold Helf, Paul Roeder, and George Spangler.

Market Square Celebration.—There was much of interest in the celebration of the ninety-eighth anniversary of the Market Square Presbyterian Sunday school, Feb. 14, at Market Square. There was general regret on account of the unavoidable absence of Judge S. J. M. McCarroll, who has been superintendent for thirty-three years, and in the privacy of the morning and the address of Dr. Smith, Judge McCarroll's service was mentioned. Since the illness of the superintendent, Charles W. Foster has been in charge of the school and organ during the services on Sunday morning.

A fine record of attendance on the part of many of the teachers and members of the school was presented. Burton E. Gunning, organist of the Men's Bible Class, has been present every Sunday for seven years. N. E. Hause, one of the teachers, was present every Sunday last year, as were the secretary, Blaine Gericke; and the following members in the senior department: John Fries, Florence Fisher, Blanche Banford, Mabel Wright, Marjorie Charles, Mabel Clark, Katherine Fahnestock, Russell Lindsay, David Charles, F. The total of collections for all purposes was \$2,719.75.
