

FAMOUS FOR BEAUTY OF HER HAIR

Mrs. Esther Emery Has Hair Which Rescued to Her Youth. Was Once Threatened With Baldness. Tells How She Made New Hair Grow.

"People say I have the most beautiful hair in the world," says Mrs. Esther Emery, now visiting in the city. "I don't know about that, but certainly I am proud of my hair, for it has grown in the last twelve months. It now reaches my knees. Last year it was anything but beautiful. I thought it was growing bald. A year ago my hair was thin and scraggly and coming out at an alarming rate. Little bald spots appeared all over my scalp, which was covered with dandruff and itched like fury all the time. I cannot tell you how many hair tonics I tried to save my hair and make it grow again. Some of them helped by taking out the dandruff for a while, but it came right back again and my hair grew thinner than ever.

My success is no secret and I think that any man or woman can do the same with their hair if they will persevere as I have done. A year ago, knowing my condition, sent me a clipping from the New York Herald which advised people who were growing bald to use a prescription consisting of 5 oz. Bay Rum, 2 oz. Lavona (de Compose) and 1 dr. of Menthol Crystal. I got these things from my druggist and mixed them myself. I allow the preparation to stand several hours before using. Then I applied it each night and morning rubbing right into my scalp with my finger tips till the hair fairly glowed. The results were immediate. When I combed my hair next morning only a few straggling hairs came away. Instead of the handful I was accustomed to gather. The dandruff left me this time for good, for I have never seen a speck on my head since. In less than a week tiny little hairs appeared all over my scalp. These grew so rapidly that soon I looked like a different woman. They have kept right on growing until they are as long as see them now. A physician has told me that Lavona contains the purest form of a rare South American shrub that possesses marvelous qualities for forcing a growth of hair and certainly with my own experience I can fully believe it. Did I use more than the first treatment? Oh, certainly I am using it to-day and go to any drug store and have 5 oz. put up at a time. It lasts about a month and costs very little. I'm not going to stop anytime until my hair reaches the floor.

Eczema Gone! ACNE, Tetter, Rash, Pimples, Carbuncles, Boils—Banished!

It is certainly remarkable how quickly the action of S. S. S., the famous blood purifier, shows itself in the skin.

There is one ingredient in S. S. S. which peculiarly stimulates cellular or glandular activity to select from the blood, or from the fine network of blood vessels in the skin, those elements which it requires for regeneration.

Thus pimples, acne, eczema, lupus, or any other blood condition that attacks the skin or seeks an outlet through the skin is met with the antidotal effect of S. S. S.

This is why skin troubles vanish so readily and why they do not return. Under the influence of S. S. S. this fine network of blood vessels in the skin is constantly selecting from the blood the nutrition required for healthy tissue, and the cause of disease is just as constantly being removed, scattered and rendered harmless.

It is a great mistake to rely upon cathartics to cure pimples or other facial eruptions. Not only do cathartics cause chronic constipation, but they thin the blood of its valuable and essential preservatives.

You will be surprised and delighted at the quick change if you use S. S. S., the famous blood purifier. Its action in the case is quite sensational. These facts are most fully explained in a book on skin troubles sent by The Swift Specific Co., 305 Swift Bldg., Atlanta, Ga. You will find S. S. S. on sale at all drug stores. Get a bottle to-day and banish all skin afflictions. When you ask for S. S. S. look out for the common trick of trying to sell you something else. Don't be misled.

Lung Trouble Yielded to This Medicine

If you are suffering with Lung Trouble, or if you know of some unfortunate person so afflicted, would you take the trouble of fully investigating a medicine which has brought about complete recovery in a number of very serious cases? To Eckman's Alternative, a remedy for Throat and Lung Troubles, has been given the fullest credit of restoring health in a large number of cases. Send this:

"Gentlemen: In the winter of 1903 I had an attack of Croup, which was followed by Pneumonia, and later by Lung Trouble. In the winter of 1904 I had cough, night sweats, fever and raised quantities of awful-looking stuff and later I had many hemorrhages; at one time three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. It was ordered to the mountains but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well."

(Affidavit) ANNIE F. LOUGHRAN. (Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stomach Cold and in upbuilding the system.
