the republic of China, accepted cable to-day the presidency of the Johns Hopkins University, succeeding Dr. Ira Remsen, who resigned nearly two years ago. The Carnegie Peace Foundation, which was responsible for his going to China, has agreed to his change of A Full Set \$5 of Teeth. of Teeth, Official reports made to the Public Service Commission by the railroads and trolley lines of the State show that during 1913 1,133 persons were killed and 11.232 persons injured on the steam railroads and 211 killed and 3.383 injured on the electric railways. Comparison with the figures for 1912 show that there was a decrease in number killed on railroads of 41, but that nonfatal accidents increased 198. The trolley line figures for 1912 show an increase of 34 killed, but a decline of 669 in number injured. The figures for the railroads show that 115 were killed at grade cross-lings, over which the commission now has jurisdiction. The number bf rail-road employes killed was 351, a de-crease of 101; trespassers, 638, and passengers, 22, all others being 127. There was an increase of 34 in the number of employes killed shows that brakemen suffered the most, 113. being killed. Eight crossing watch-men were killed and 13 injured. The casualities among employes were as follows: Section me, 84, firemen, 21; conductors, 21; trackwalkers, 20; car repairmen, 19; yard crews, 17; engine-men, 17; signalmen, 5, and flagmen, 4, the detailed figures show 18 employes killed coupling or uncoupling cars and 285 injured in the assengers on trolley lines were killed and 20 employees also lost their lives. Most of the remain-der of the 211 fatalities were of tres-passers. The result of the report will be used we the commission in the study of the Come in the morning. your teeth made the same day.
