### **Coal From** "Reading" Railroad

Last year we built a new coal yard on the Philadelphia & Reading at 15th and Chestnut Streets.

We did this so as to give our many customers on Allison Hill quicker deliveries, and better service.

Also some of our customers preferred Reading Railroad Coal and we wanted to be in a position to satisfy them.

We now have two coal yards, one on each railroad so that we are now able to give you any kind of coal you want.

Try our coal next time.
